

SERVICE

CALLS – LOAN UNITS

You can request a **loan machine** to be issued and sent out to a client whilst their machine is being repaired.

The **Loan Unit Request** will be raised against the **Repair Call**.

The loan unit must be **returned** before the call can be **closed**.

Delivery and **Collection** Notes can be printed to authorise the delivery and collection of the loan unit.

Loan machines must be **Internal Assets** (you can convert a stock item to an asset in BPO, if required).

Ribbon Access: *Service > Calls*

The **Call Listing** screen will be displayed.

- Select the **site** and **status**.
 - In this image, the **Durban** site and the **New** status have been selected.
