

CRM BASICS

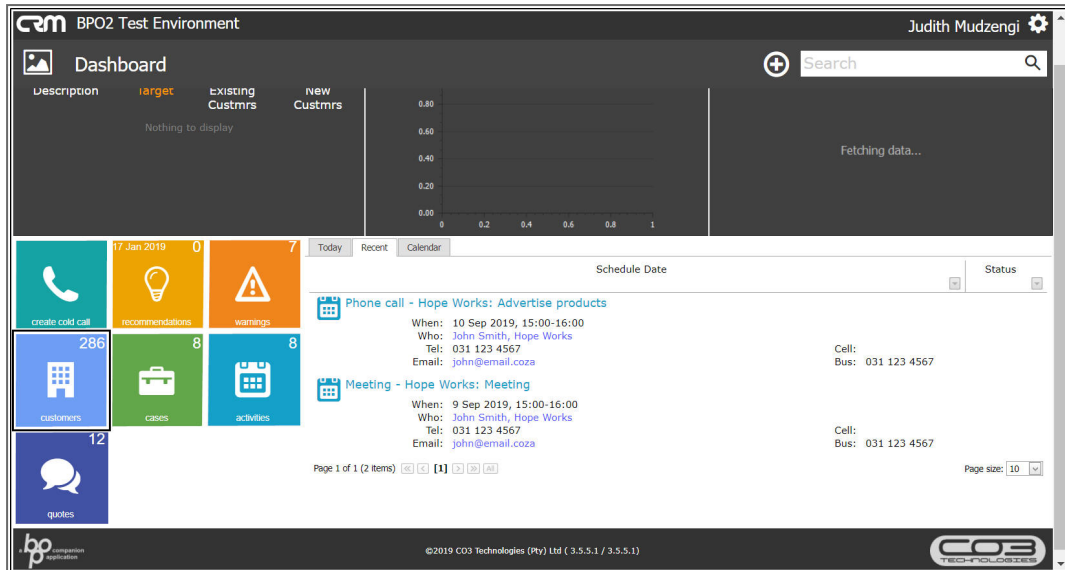

COLD CALL

- A Cold Call is a quick and easy way to raise a new Customer, Contact, Address, Case and Activity.
- A Cold Call can also be created for existing customers.
- A Cold Call for New or Existing Customers can be created from the **Homepage** or the **Customer Homepage**. Either of these processes will direct you to the Create Cold Call screen with the Customer frame clear of any details.
- A **Create Cold Call for Customer** Action button has been added to the Customer Dashboard Information frame. Navigating from this button will auto populate the selected Customer Details.

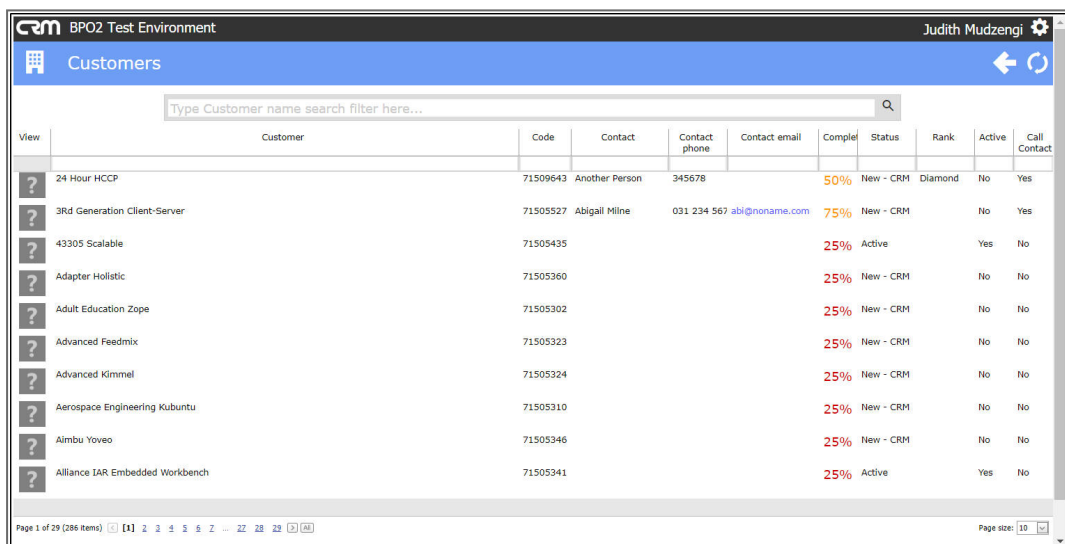

Ribbon Access: Webpage > [http://\[servername\]:\[port-no\]/BPOCRM/User.aspx](http://[servername]:[port-no]/BPOCRM/User.aspx)

ACCESS COLD CALLS FROM CUSTOMER DASHBOARD

- Click on the **Customers** tile from the **Dashboard**.

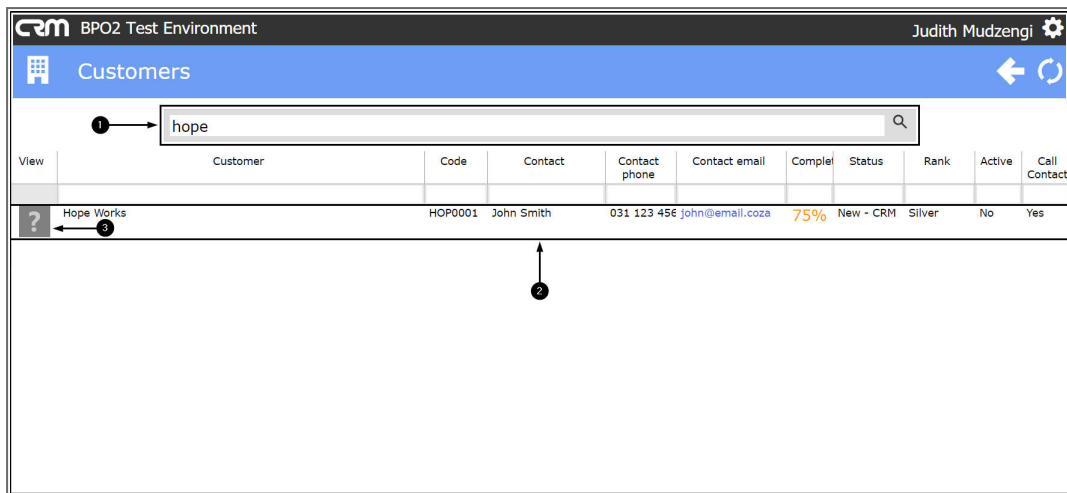

- The **Customers** screen will be displayed.
- A list of customers will be displayed.
