

# MAINTENANCE

### TASKS - RELATED TASKS

Related tasks are affected by the changes in the schedule of the Task they are linked to. For instance, a task may be completed **5** days later than the planned schedule, which may have been caused by a public holiday. Any related task(s) will then also be completed **5** days later.

#### Ribbon Access: Maintenance / Projects > Tasks

- 1. The *Tasks* list screen will be displayed.
- 2. Click on the *row* of the task you wish to link a *related task* to.
- 3. Click on the *Related Tasks* tile.
