

SERVICE

CALL ADMINISTRATION - CALL PENDING HISTORY

The Call Administration screen is part of the Extended Call Centre - Version Compatibility¹

The **Call Pending** tile is a quick way to navigate to the list of Call Pending events related to the selected call.

A call can be placed manually in the **Pending** status in the call centre. The pending history is generated as the customer is **Placed on Pending** and **Released from Pending**.

There can be many reasons to place a call on Pending, but these reasons are based on a delay from the company's side, for example:

- Spares must first be purchased before the work can commence.
- Awaiting loan machine to be returned.
- Requires senior Technician

THE CALL ADMINISTRATION LISTING SCREEN

Ribbon Select *Service > Call Administration*

- The **Call Administration** screen will be displayed.

¹BPO2 v2.5.1.3 or higher.

Call Administration - BPO Version 2.5.1.4 - v2514 Example Company
