CALLS – REQUEST THIRD PARTY SERVICE

You will need to raise a Service Request when, for example, a Supplier is providing a service for this call or a Dealer is performing this service on your behalf.

From the Service Request, you can start a [Non-Stock Procurement](#) cycle, i.e. Raise a Purchase Order to the Supplier/Dealer, Non-Stock Goods Received Note and Supplier Invoice.

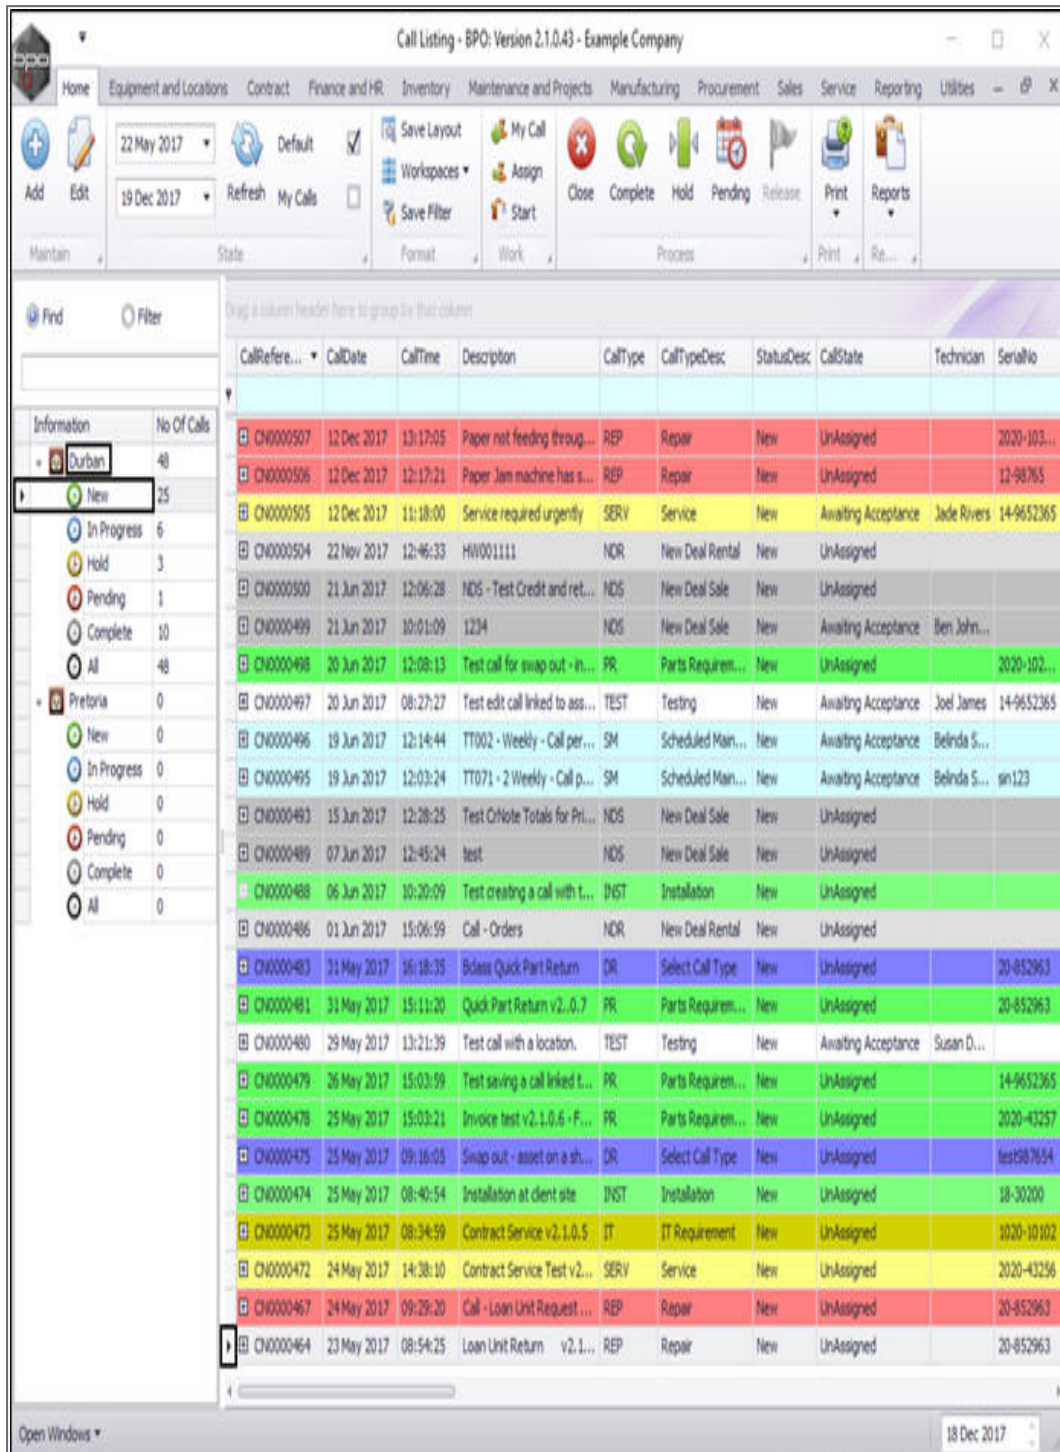

The list of services you can select and request are set up in **Services**.

Ribbon Access: Service > Calls

The **Call Listing** screen will be displayed.

- Select the **site** and **status**.
 - In this image, **Durban** has been selected as the site and the status has been set to **New**.
