SALES HISTORY

- This shows the Sales and Contract Income for the selected client, over the last 12 Months.
- The Sales History can be viewed in the Customer Page (on the Customer Details tab).

Ribbon Access: *Webpage > [http://\[servername\]:\[port-no\]/BPOCRM/User.aspx](http://[servername]:[port-no]/BPOCRM/User.aspx)*

The screenshot shows a web browser window with the URL `localhost:50000/bpocrm/ViewCustomer.aspx?CustomerID=2`. The application header includes the CRM logo, a home icon, the user name "biancad", and a search bar. A navigation menu on the left contains tabs for "customers", "cases", and "activities", with sub-menus for "quotes", "orders", "invoices", "credit notes", "machines", "contracts", "service calls", "3rd party", and "files". A top navigation bar contains icons for home, user, calendar, mail, and contacts, with the "Addresses" icon highlighted in red. The main content area displays the customer's "Addresses" section, listing two addresses: "PO Box 7452, Forest Hills, 1234" and "Address Line1, Address Line2, 1234". Below this is a "12 Months Sales History" bar chart showing "Contract Income" (yellow) and "Sales Revenue" (blue) from April 2015 to April 2016.
