

# **PROJECTS**

## **PROJECTS - NOTES**

Project Notes can help everyone working on the project to immediately understand what is important and essential to the project.

Project Notes can be added to a Project that has been Closed.

#### Ribbon Access: Maintenance / Projects > Projects

- 1. The *Project Listing* screen will be displayed.
- 2. Select the *Site* where the project can be located.
  - The example has *Durban* selected.
- 3. Select the *Status* for the project.
  - The example has **Open** selected.
- 4. Click on the *row* of the project you wish to create a project note for.
- 5. Click on the *Notes* tile.
