Open Windows ▾ 04 Sep 2020

1. **Code:** Click in this text box and type in a *code* specific for this new Payment Factor Period.
2. **Code Description:** Click in this text box and type in a *description* for this new Payment Factor Period code.

Once you have added a **Code** and **Code Description**,

1. **Code Type:** This can remain as **None**. In this data grid, the Code Types have been given numbers according to their month equivalent. Therefore we could type in **18**, as the new Payment Factor Period is for 18 months.
2. **Sort Order:** Click in this text box and either type in or use the arrow indicators to select the sort order for this new Finance Provider code.
3. **Status:** This will auto populate with **A** - Active.

04 Sep 2020

Note on Sort Order:

The sort order is the order in which this new Payment Factor Period will appear in the Payment Factor Period drop-down list in BPO2. If each Payment Factor Period has the same number e.g. 0 or 1, then the drop-down list will usually default to an alphabetical order in BPO2. If you wish the Payment Factor Periods to be listed in a certain order then number each one in the order that you wish to view them.

If you wish to change the **change** the Sort Order number:

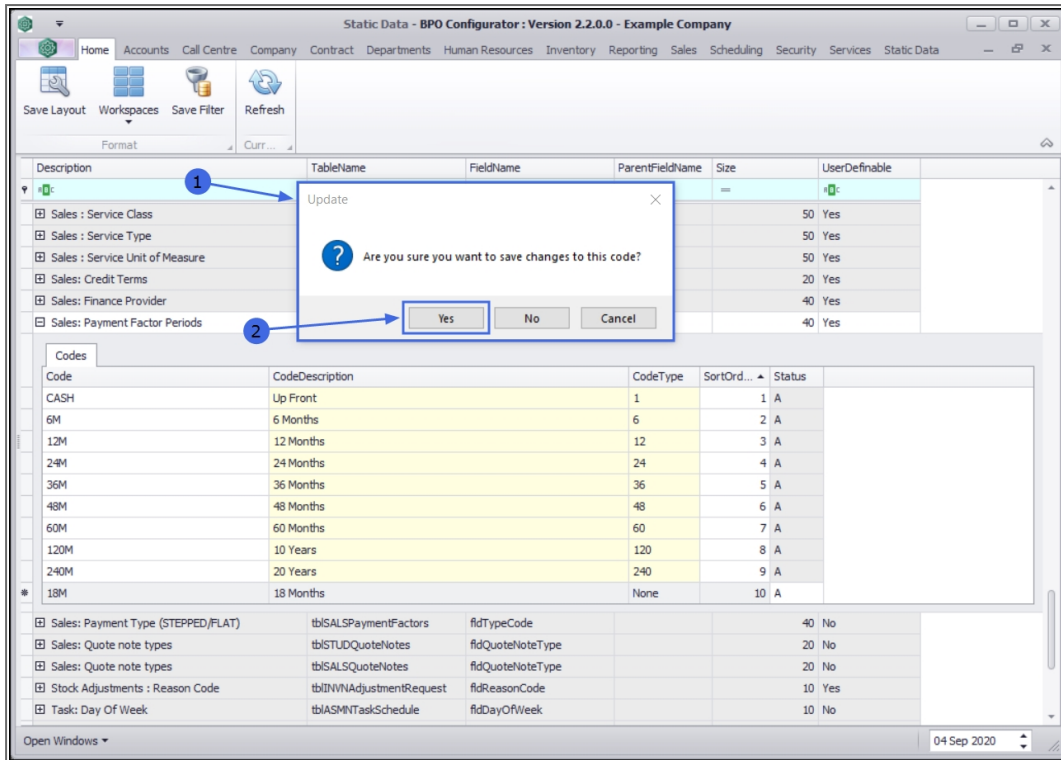

1. Click in this text box and either **type in** the new number or
2. Use the **arrow indicators** revealed, to select the sort order number for this new Payment Factor Period.

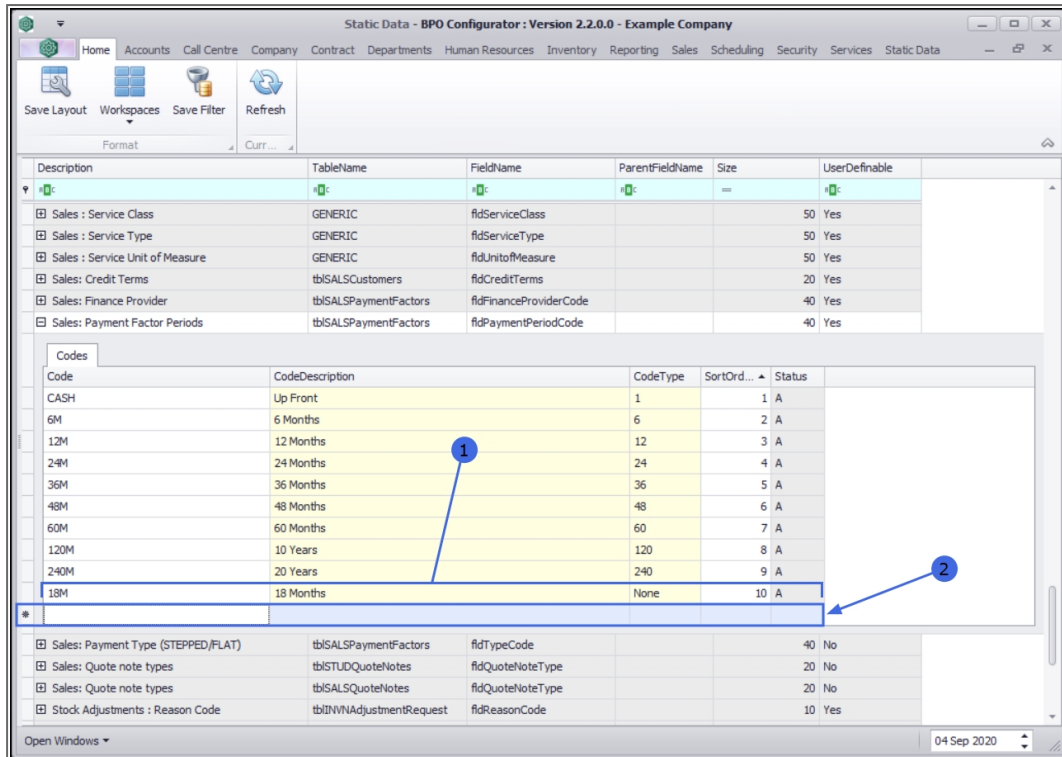

SAVE PAYMENT FACTOR PERIOD DETAILS

When you have finished adding the new Payment Factor Period details, either press **Tab** or **Enter** on your keyboard or **click outside** of the data grid.

1. An **Update** message box will pop up, asking;
 - **Are you sure you want to save changes to this code?**
2. Click on **Yes**.

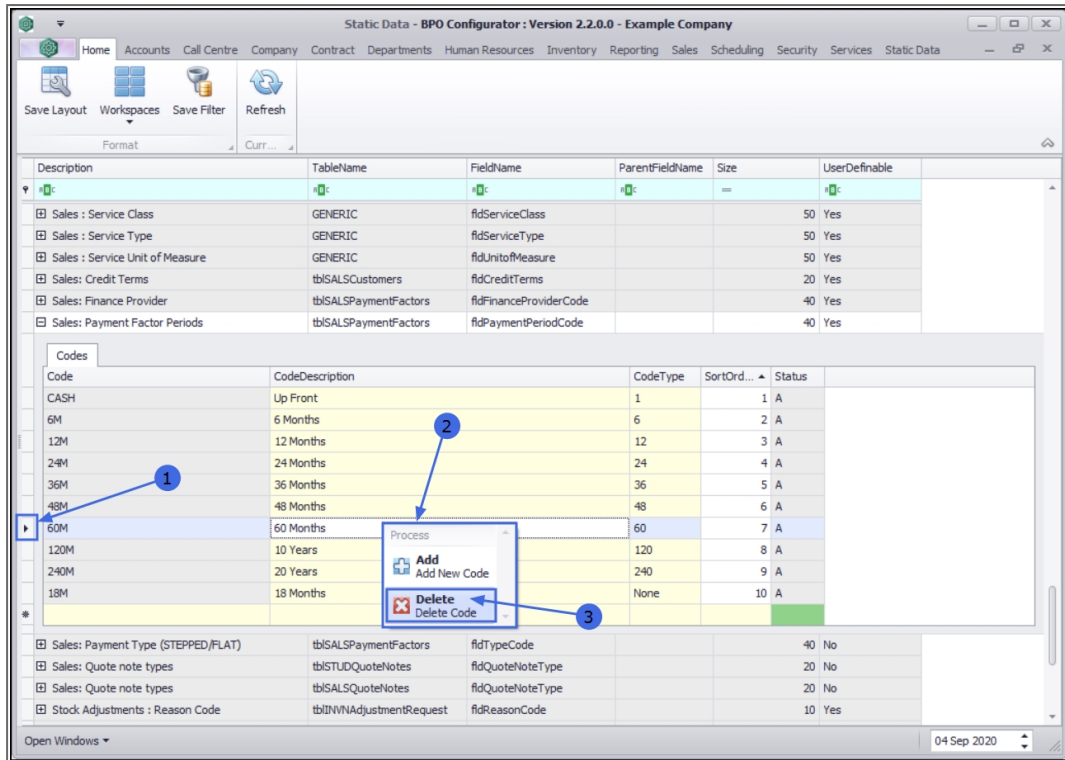

1. The new Payment Factor Period details will be **saved**.
2. A **new row** will be added to the **Codes** data grid.

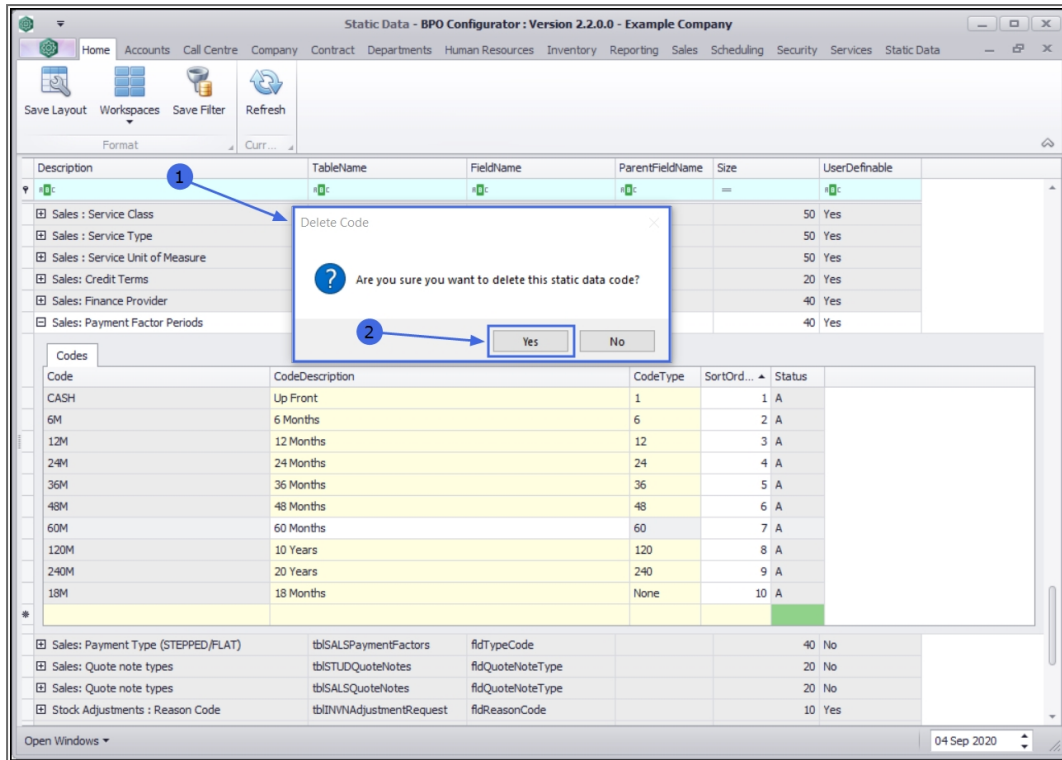

DELETE A PAYMENT FACTOR PERIOD

1. **Select** and **right click** in the row of the Payment Factor Period that you wish to delete.
2. The **Process** menu will pop up.
3. Click on **Delete**: Delete Code.

1. A **Delete Code** message box will pop up asking;
 - *Are you sure you want to delete this static data code?*
2. Click on **Yes**.

1. The selected Payment Factor Period will be **removed** from the data grid.
2. When you have finished working in the Codes frame, **collapse** the data grid and
3. **Close** the screen.
