

CONTRACT

RELEASE A SUSPENDED CONTRACT

When a contract is **suspended**, the system will allow Call logging, but the customer will not be included in the month end billing. The contract will remain in the Suspend status until removed by an administrator. This process will enable you to *reinstate* the suspended contract so that the system will reactivate month end billing.

Ribbon Access: Contract > Contracts

The *Contract Listing* screen will be displayed.

- Select the *Site* that you wish to work in.
 - ° In this image *Durban* has been selected.
