EMAIL INVOICE / PRINT AND EMAIL SALES ORDER

If you get an *error* when trying to email the document, ask your administrator to make sure that the correct shared folder location has been configured in BPO and that you have the relevant folder rights to access the shared folder on the server.

- From the *Select the option as desired* screen, select *Email Order* or *Print and Email Order*.
 - The example has *Email Order* selected.
- Click *Accept*.

The **Email Sales Order: []** screen will display, for both Email Invoice or Print and Email Invoice options.

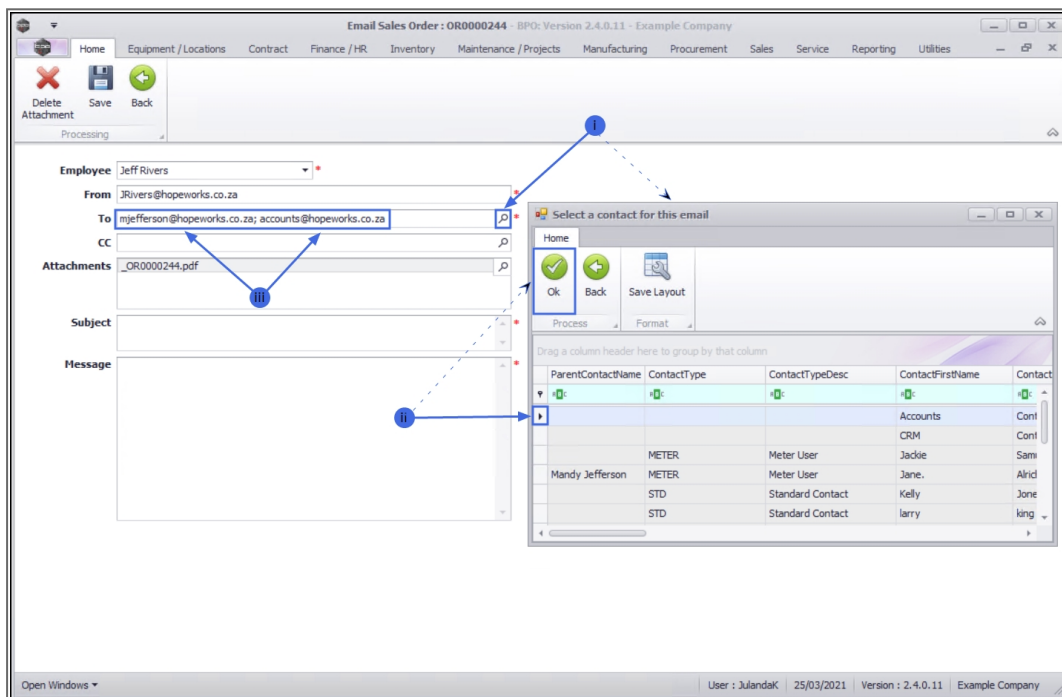

EMAIL HEADER INFORMATION

- **Employee:** The employee who is currently logged onto the system, will display in the employee field. Click on the drop-down arrow to choose an alternative employee name, if required.
- **From:** The email address for the employee, selected in the employee field above, will display in this field. This field can be edited if required.

SEARCHING FOR AND ADDING A SECOND EMAIL ADDRESS

- **To:** This field will auto populate with the email address created for the contact person at the customer. To choose an alternative email or to add a second email address;

- i. Click on the **search button** to display the **Select a contact for this email** screen.
 - ii. Click on the **row** of the contact that you wish to add and click **OK**.
 - iii. To add an additional contact person, click on the search button to select and add the contact to the email. The second email address will be separated with a **;**, e.g. *mjefferson@hopeworks.co.za; accounts@hopeworks.co.za*.
- **CC:** If a group email address has been set up on the order or accounts contact, then the group email address will display here.

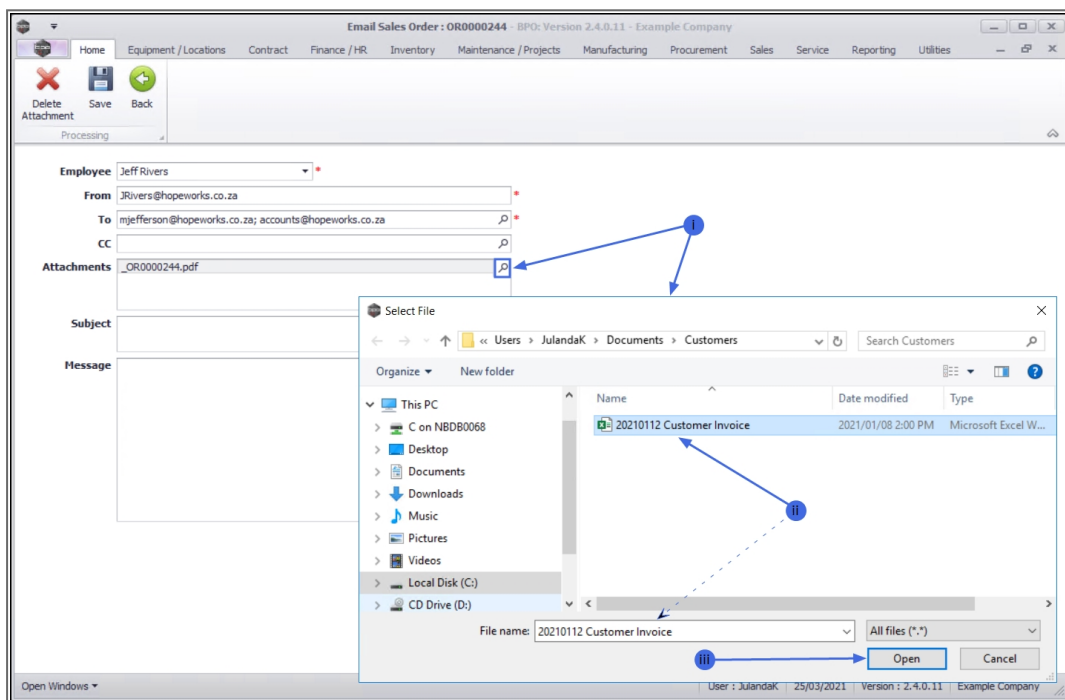

EMAIL ATTACHMENTS

- **Attachments:** BPO will create a PDF of the order and attach it automatically (you can attach additional documentation if required).

Note that if there are outstanding parts that have not been issued, a Back Order report will also be attached.

- i. To add additional documents to be emailed, click on the **search** button in the **Attachments** field to display the Select File screen.
- ii. **Browse** to find the file location, then click on the file you wish to attach.
- iii. Once you have selected the file, click on **Open**.

The attachment will display in the **Attachments** field.

DELETE AN ATTACHMENT

You may choose to remove an attached document.

1. Click on the **attachment** you wish to remove.
2. Click on **Delete Attachment**.

EMAIL SUBJECT AND MESSAGE

1. **Subject:** Type the email subject line. Keep in mind that this will be the first reference for the email, that your Customer will see.
2. **Message:** Type the email text message.
3. Once you are finished, click **Save**.

You will return to the **Sales Orders** listing screen.
