

# **REPORTS DASHBOARD**

## **VIEW A REPORT**

The **Reports Dashboard** application gives you the ability to view critical business information graphically in real time in form of dashboard reports. The information contained in the dashboard reports is refreshed periodically with the most current data related to the reports.

In **Reports Dashboard**, you can view each report.

```
Access: Reports Dashboard Icon > Log In
```

The *Reports Dashboard* application will open.

• Click on the *System Reports* button.
