CRM CUSTOMERS

SERIALISED EQUIPMENT

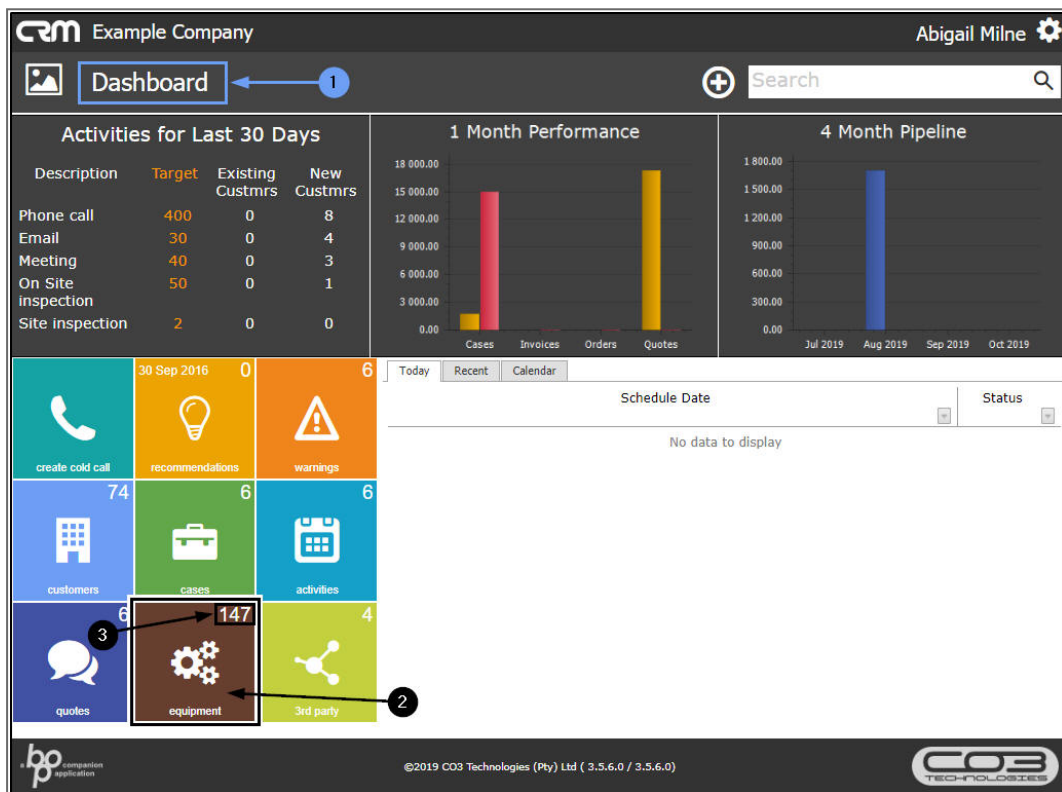

In CRM, you can view serialised equipment items for the customer in 2 different screens:

- The **Equipment for**[Salesman's Name] **Customers** screen
 - This will list by **serial number**, all the equipment items that are linked to the salesman's customers.
 - From this screen, you can view:
 - The Contract Details linked to each serialised equipment item, if applicable.
 - The Contract Performance Report for each serialised equipment item.
- The **Equipment for** [Customer Name] screen
 - This will list by **serial number**, all the equipment items that are linked to the selected customer.
 - From this screen, you can also view:
 - The **Model No.**, **Description**, and **contract details** of each serialised equipment item, if applicable.
 - The Contract Performance Report for each serialised equipment item, if applicable.
(Access to this report will depend on your security rights.)
