CONTRACTS

BUY BACK REQUESTS – PRINT

For expired contracts that remain active, you have the ability to buy back serial numbers that have been selected, if the selected items are customer assets.

You can print a hard copy or email the Buy Back Request report.

Screen access:

Ribbon Select **Contract > Buy Back Requests**

The **Buy Back Requests** screen will be displayed.

Select the Site

Your employee user record should be linked to a default site. In this case, the site will auto populate with this default, otherwise the site must be manually selected.

Another site can be selected, if required, and if you have the security rights to access the site.

If **All Sites** displays here, then you do not have a default site configured on your user record, and need to select the required site.

Upon opening, this screen will default to the **New** status, listing all Buy Back Requests that still require processing.

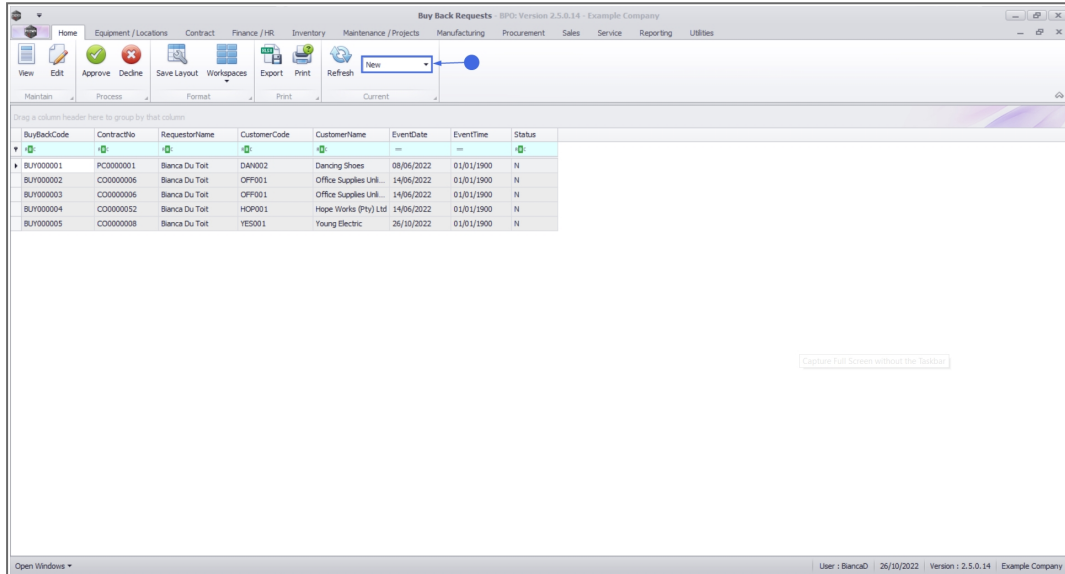

Status filter options:

New: Buy Back Requests that still require processing

Approved: Buy Back Requests that have been Approved

Declined: Buy Back Requests that have been Declined

Awaiting Contract Closure Approval: Buy Back Requests that have been approved, but Contract Closure Approval is required to complete the contract closure process.
