PROJECTS

PROJECTS – MY PROJECTS

Ribbon Access: Maintenance / Projects > Projects

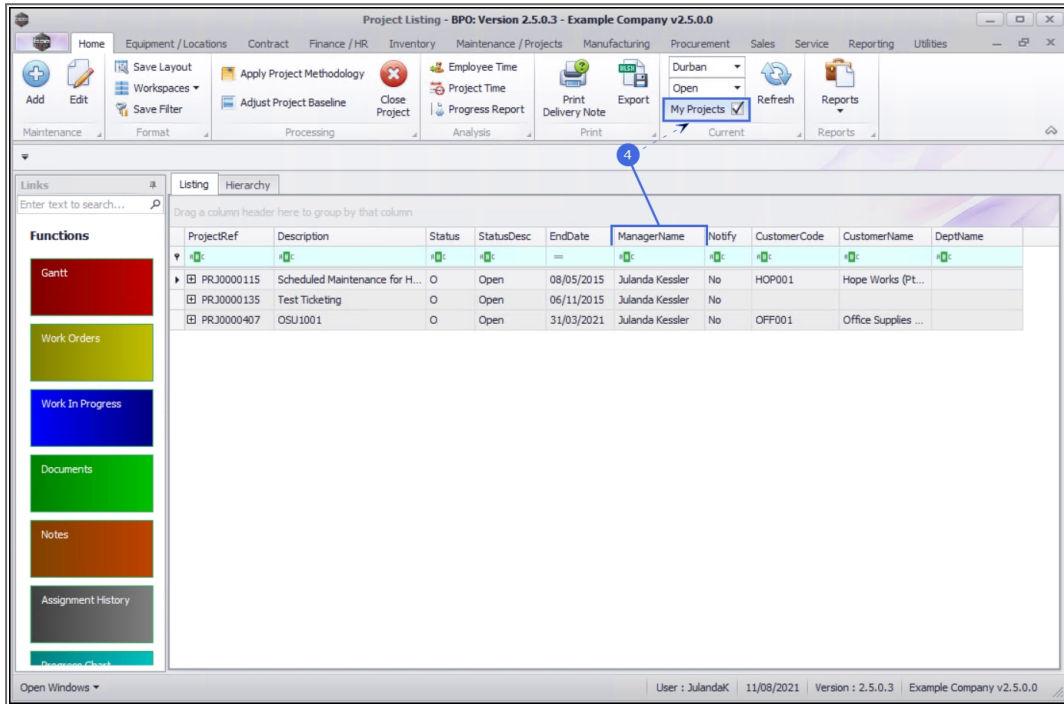

1. The **Project Listing** screen will be displayed.
2. Select the **Site** you wish to work with.
 - The example has **Durban** selected.
3. Click on the **My Projects** check box.

- The projects are filtered with the projects that have you assigned as the **Project Manager**.

Note that if you do not see the correct list of projects displayed, edit the project with the correct Project Manager.

You will now be able to generate a **Project Progress Report** that will include projects assigned to you.
