## **PROJECTS**

## **PROJECTS - PROJECT TIME REPORT**

This process allows the Project Leader or Manager the facility to generate a Project Time Report that will list time logged against the project for each employee and work order.

The Time Report will enable you to monitor the progress of the project and to estimate for any delays.

Ribbon Access: Maintenance / Projects > Projects

- 1. The **Project Listing** screen will be displayed.
- 2. Select the **Site** where the project can be located.
  - The example has **Durban** selected.
- 3. Select the **Status** for the project.
  - The example has **Open** selected.
- 4. Click on the **row** of the project you wish to generate the report for.
- 5. Click on **Project Time**.
