# **PROJECTS**

## **PROJECTS - DOCUMENTS**

The **Documents** tile allows you to link, view or delete digital documents effortlessly. All the project documents are kept in one place by making use of this function.

These documents need to be saved in a shared folder on the server.

#### Ribbon Access: Maintenance / Projects > Projects

- 1. The **Project Listing** screen will be displayed.
- 2. Select the **Site** where the project can be located.
  - The example has **Durban** selected.
- 3. Select the **Status** for the project.
  - The example has **Open** selected.
- 4. Click on the **row** of the project you wish to link documents to.
- 5. Click on the **Documents** tile.
