- **Code Type:** This can remain as **None**.
- **Status:** This will auto populate with **A** - Active.

- **Sort Order:** Click in this text box and either type in or use the arrow indicators to select the sort order for this new procurement supplier class code.
 - **Note:** The **sort order** is the order in which this will appear in the procurement supplier class code drop-down list in BPO. If each procurement supplier class code has the number **1**, then the drop-down list will usually default to an alphabetical order in BPO. If, for example, it is numbered **2**, then it will appear **2nd** in the drop-down list in BPO.
