CONTRACT

REMOVE FROM APPROVAL

After a contract has been <u>Approved</u>, it could be 'removed from approval' or moved back to the <u>Released</u> status due to reasons such as contract amendments. These changes will need to be reviewed by the authorised parties and then the contract will need to be Approved again.

Ribbon Access: Contract > Contracts

- 1. The **Contract Listing** screen will be displayed.
- 2. Select the **Site** that you wish to work in.
