Select the Site

Your employee user record should be linked to a default site. In this case, the site will auto populate with this default, otherwise the site must be manually selected.

Another site can be selected, if required, and if you have the security rights to access the site.

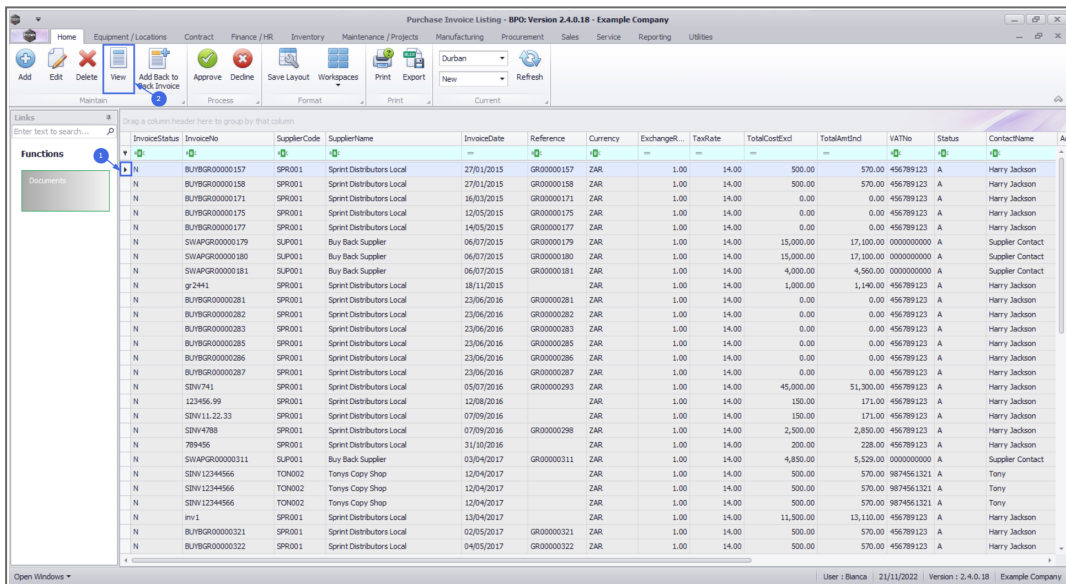

If **All Sites** displays here, then you do not have a default site configured on your user record, and need to select the required site.

Upon opening, this screen will default to the **New** status.

VIEW SUPPLIER INVOICE

- Select the **Supplier Invoice** you wish to edit.
- Click on the **View** button.

The Supplier Invoice maintain screen will open in read only mode.

- Click on the **Back** button when done.
