CONTRACT

ADD CONTRACT ITEM FEES

You will be following the process below to add fee charges to each contract item where fees are required for that item.

Multiple fees can be configured per item.

Repeat the following process to add fees to all items as required on the items.

Item Fees

- The Item Fees frame displays Contract Item Fees that can be linked or are linked to a contract item. Note that the fee types available for selection are dependent on the fees configured for the selected Contract type.
- Linked Item Fees will be included on the Contract invoice during Contract billing, where within the period defined.

Add Item Fee

• Marked: Click on the check box in front of the Item Fee Type to be charged on the contract item.

Billing Customer

- Only populate these 2 fields if another party (a separate billing customer) is going to pay the **Item Fees** on behalf of the customer.
- If these fields are left blank, **BPO** will bill the customer linked to the contract.
 - Note 1: BPO only supports different billing customers on an aggregate contract from BPO v2.3.0.4.
 - Note 2: Follow the next 2 steps only if you wish to link another customer as the billing customer.

- **Suppress on Invoice:** Only select this if you wish to hide the item fee information on the invoice.
- **Comment:** Click in this text box and type in a comment regarding this contract fee, if required.
- **Order No:** Type in a customer order number relevant to this item, if required. This will be displayed on the contract invoice.
- **Status:** This field will be set to **A** (Active) once the fee has been saved, and is static.
- Amend Date: This shows the date the item was last modified and the field is static.
- The 'Add an Item Fee' process is now complete.
