# MANUFACTURING

# **PRODUCTION - ADD PART REQUEST**

The **Bill of Materials** will cover all the parts required, but in case a part has been left off the BOM or a particular production requires a specific item added, then you can add a separate **part request**.

#### Ribbon Access: Manufacturing > Production

The **Production** listing screen will display.

### **SELECT THE PRODUCTION**

• Click on the **expand button** in the **row** of the **production** where you wish to add a part request.

The Part Requests screen will open.

#### **ADD PART REQUEST DETAILS**

- Select From BOM or Parts: Click on the Parts radio button.
- Work Order: This field will be auto populated with the work order linked to the production run initially selected.
- **Part**: Click on the search button and select the part required.
- **Quantity**: Type in the quantity required.
- Warehouse: This will populate with the default warehouse. You can click on the search button and select an alternative warehouse if required.
- **Required Date**: Either type in or click on the drop-down arrow and use the calendar function to select the date this part is required.

- Assigned To: This will populate with the person currently logged on to the system. You can click on the search button and search for an alternative person to be responsible for the part request if required.
- **Requested By**: This will populate with the person currently logged on to the system. You can click on the search button and search for an alternative person if required.
- **Comments**: Type in any comments required.
- Is Billable: Not applicable.
- Under Warranty: Not applicable.
