6. The Edit Customer Credit Note - [credit note number] screen will be displayed.

# **CREDIT NOTE HEADER**

- 7. Make the necessary changes to any of the Credit Note header details as required.
- 8. You can choose to deselect the **Return Items to Store** check box if it has been selected when the Credit Note was created.

**Note** that the example has the Return Items to Store check box unavailable because the Credit Note currently only has labour listed and therefore no items need to be returned to store.

### ADDRESSES TAB

9. Make the necessary changes to either the Billing or Shipping addresses, if required.

Each line item will show whether;

- i. a return request will be raised to stores for return of the part and/or
- ii. whether a <u>replacement</u> part is required.

### **SUPPRESS ON PRINT**

- 1. You have an option to suppress items on print by clicking on the **Suppress On Print** check box.
- 2. Only click on this check box in the row of the items that you do <u>not</u> want visible on the printed credit note.

The Sub/Grand Total will not be affected, but the selling prices that are visible will not match up with the credit note total.
