SERVICE

TIME REVIEW - INVOICE PROJECT

A call can be invoiced from the **Time Review** screen.

- Only Regular Hours are billable.
- Time marked as Reviewed will be invoice.
- All billable items linked to the selected call will display on the invoice.

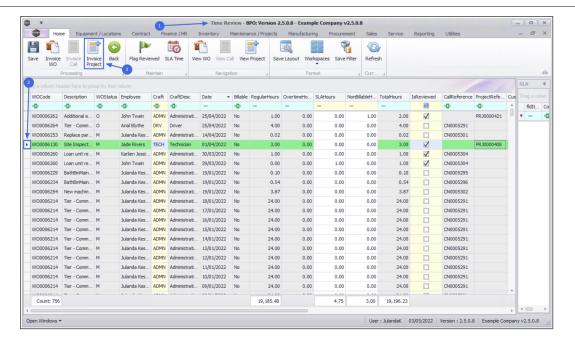

Ribbon Access: Service > Time Review

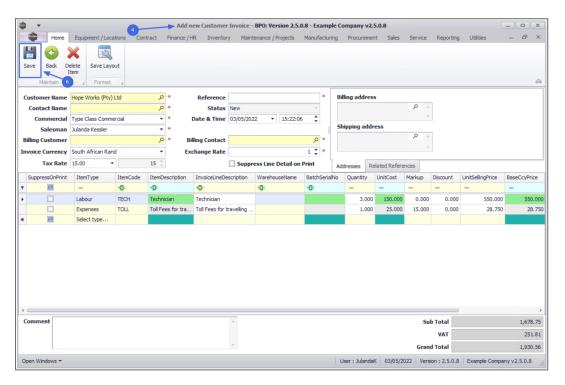

- 1. The **Time Review** screen will be displayed.
- 2. Click on the **row** of the work order that is linked to the project you wish to invoice.
 - A work order can be listed twice when two different employees logged time against the work order.
 - A work order can be listed twice if the same employee logged time
- 3. Click on Invoice Project.
 - The example has a total of 3 Regular Hours logged against the work order and Time has been Reviewed.

Time Review - Invoice Project

- 4. "The Add new Customer Invoice screen will display." on page 2
- 5. **Note** that some of the fields on the invoice will be auto populated.
- 6. Add or Edit the information to the Customer Invoice as required and click on Save.

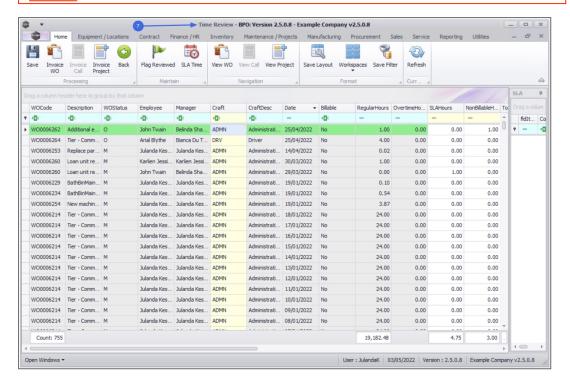

Time Review - Invoice Project

- 7. You will return to the **Time Review** screen.
- 8. The time record that was invoiced will be removed from the screen.

To view the invoice and for further processing, refer to <u>Introduction to Sales</u> <u>Invoices</u>.
