- Code Type: This can remain as None.
- Status: This will auto populate with A Active.
- **Sort Order:** Click in this text box and either type in or use the arrow indicators to select the sort order for this new human resources course code.
 - Note: The sort order is the order in which this will appear in the human resources course code drop-down list in Nucleus Configurator. If each human resources course code has the number 1, then the dropdown list will usually default to an alphabetical order in Nucleus Configurator. If, for example, it is numbered 2, then it will appear 2nd in the drop-down list in Nucleus Configurator.
