CONTRACT

ADD NEW LOCATION CONTRACT (PRE V2.3.0.0)

A <u>Customer Location</u> is required for a Customer Location Contract.

The 'location item' that is being added to the contract is a defined customer location.

Ribbon Access: Contract > Contracts

The **Contract Listing** screen will be displayed.

- Select the **site** that you wish to work in.
 - $^\circ~$ In this example, ${\mbox{Durban}}$ has been selected.

Help v2024.5.0.7/1.0 - Pg 1 - Printed: 04/07/2024

The **Contract Info panel** will be expanded.

- **Contract No:** The contract number is generated by the system (where configured in the Contract Type setup).
- **Contract Type:** Click on the drop-down arrow and select the contract type e.g., Prepaid Contract.
- **Start Date:** This will auto populate with the current date but you can click on the drop-down arrow and use the calendar function to select an alternative date.
- End Date: This will auto populate 5 years from the start date but you can click on the drop-down arrow and use the calendar function to select an alternative end date if required.
- **Period:** Either type in or use the arrow indicators to select the period of the contract (life span of the contract).

- **Period Type:** Select the period type (measure relating to the lifespan), e.g., 60 <u>months</u>.
- **Department:** Click on the drop-down arrow and select the department.
- **Contract Manager:** Click on the drop-down arrow and select the contract manager.
- **Salesman:** Click on the drop-down arrow and select the salesman.
- Aggregate Billing: Click on this check box if the customer will receive aggregate billing.
- **Hide Fee Detail:** Select this option if you don't want to show individual contract invoice fee amounts.
 - Note: If this is an Evergreen contract, set your end date to 31/12/2999.

The **Billing Info panel** will be expanded.

Some of these details will auto populate but they can be changed as explained below:

- **Billing Cycle:** Click on the drop-down arrow and select the billing cycle (billing frequency, e.g., monthly).
- **Billing Period:** This is the financial period in which billing will first begin. Type in or use the arrow indicators to select the period number (e.g., January = 11).

- **Billing Day:** Type in the day that the customer will be billed (e.g., on the 25th of each billing cycle).
 - The Billing Day can be used if you are billing different contracts on different days or can be used as a filter in the Contract Billing screen. The Billing Day is limited to 31. You can type in the day that the customer will be billed (e.g., on the 25th of each billing cycle) else leave as 0.
- **Escalation Type:** Search for and Select an escalation type (usually percentage is used).
- **Escalation Amount:** Type in the escalation amount, depending on the escalation type selected (e.g., 10 if the escalation should be 10%).
- **Escalation Period:** Type in the financial month at which the system should escalate the contract.
 - Note: If this escalates on the anniversary of the contract, then use the same financial period as the billing period.
- **Currency:** The system will auto populate with the currency already set up on the customer but you can click on the drop-down arrow and select an alternative currency if required.
 - Note: For foreign currency contracts, all fee and meters charges must be set up in the currency selected e.g., type in the dollar amount if the currency is USD.
- **Exchange:** Type in the exchange rate.
- **Tax Rate:** Type in the tax rate.

COS ACCOUNT CODE

- Click in the COS Account Code text box.
- Type in the **Cost of Sales account code** to be used for WIP (Work In Progress) transaction postings (non-billable toner and spare parts issued as contract included items).

SLA HOURS

- Click in the **SLA Hours** text box.
- Type in or use the arrow indicators to select the required Call response time (in hours).

TRAVEL RADIUS

- Click in the Travel Radius text box.
- Type in or use the arrow indicators to select the distance (in kilometres) to and from the client, if this travel is to be billed every time a Call is logged. If travel is included, then set this to **O**.
 - Note: Travel can always be billed separately, if required.

TRAVEL CHARGE

- Click in the Travel Charge Rate text box.
- Type in or use the arrow indicators to select the travel charge rate (e.g., Rands per kilometre).

• The Category Description, Is Extra and Status fields are static.

ADD ITEMS

• Scroll left, so that you can view the Part Code column again.

• Click on the **expand** button in the **Part Code** text box.

- The selected location **Item** frame will be expanded.
- In this frame are **4** different tabs:
 - Item Fees: monthly charges
 - Item Meters: meter usage charges
 - Item Inclusions: items not to bill
 - Item Contacts: the contact person per location item
