CALL ADMINISTRATION – EDIT A CALL

The Call Administration screen is part of the Extended Call Centre - Version Compatibility¹

You may need to **edit** a call, if the main detail, such as the Call Description, is incorrect. The call needs to be **saved** after editing.

A call can be edited in order to view the selected call details and to log call information, such as, book technician time, log part and service requests, raise invoices, etc.

Ribbon Select **Service > Call Administration**

- The **Call Administration** screen will be displayed.

¹BPO2 v2.5.1.3 or higher.
