INVENTORY

EDIT REVALUATION REQUEST

> ✏️ **Note** Revaluation Requests added via the Inventory > Revaluations screen or Equipment > Assets screen - are known as Standard Revaluations, whereas Revaluations auto created via the Quarantine GRN process are known as Inbound Cost Revaluations.

Standard Revaluations: Edit may be required if additional items need to be added or the existing details are incorrect.

Inbound Cost Revaluations: Edit may be required if additional GRNs or additional cost Purchase Orders need to be added, or individual cost updates need to be made, or the details are incorrect.

Ribbon Access: Inventory > Revaluations
1. The **Revaluation Request Listing** screen will be displayed.
2. Select the **Site** where the revaluation request was created.
    - The example has **Durban** selected.
3. Set the **Status** filter to **New**. (Only New Revaluation Requests can be edited).

EDIT REVALUATION REQUEST

1. Click on the **row** of the **revaluation request** you wish to edit.
2. Click on the **Edit** button.
EDIT A STANDARD REVALUATION REQUEST

The **revaluation request** screen will be displayed.

MODIFY HEADER DETAILS

Change the details as required:

- **Reference:** Type in the reference for this revaluation.
- **Requestor:** This is the person who is requesting the revaluation. This will auto populate with the name of the user currently logged on to the system. You can click on the drop-down arrow and select from the list an alternative requestor, if required.
- **Contra Account:**[1] This is the revaluation suspense general ledger account code which will auto populate based on what has been set up in the company configuration.
- **Request Date and Time:** This will auto populate with the current date and time.
  - **Date:** You can either type in or click on the drop-down arrow and use the calendar function to select an alternative date, if required.
  - **Time:** You can either type in or use the directional arrows to select an alternative time, if required.
- **Comments:** Type in a comment relating to this revaluation.

---

[1]The revaluation suspense account used to contra the stock account for the underlying financial transactions posted by the REVI and REVD drivers.
