SiteDescription
Durban
Pretoria
Cape Town
Johannesburg

Open Windows 21 May 2018

- The **Add new Work Request** screen will be displayed.
 - **Site:** This will populate with the site selected in the previous step.
 - **Description:** Type in a **description** of the work that needs to be done.
 - **Priority:** Change the priority as required (**1** = Most Important **5** = Least Important)
 - **Requestor Type:** Click on the **radio** button in front of the type that initiated this work request, either **Employee** or **Customer**.
 - **Requestor:** This will auto populate with the person currently logged on to the system and making the request. Click on the **search** button and select an alternative requestor from the relevant pop up screen if required.
 - **Note 1:** The type of pop up screen will be linked to the **Requestor Type** selected in the previous step. If, for example, you clicked on **Customer** in the previous step then the **Select a Customer Contact Name** screen will pop up. If you clicked on **Employee** in the previous step, then the **Select an Employee** screen will pop up.
- **Request Date and Time:** These fields will be populated with the current date and time.
 - **Request Date:** You can either type in or click on the drop-down arrow and use the calendar function to select an alternative date if required.

- **Time:** You can either type in or use the arrow indicators to select an alternative time if required.
- **Billable:** Click in this text box if this work request is to be billable.

Help v2.5.1.4 - Pg 10 - Printed: 27/06/2024

- **Project Ref:** Click on the *search* button in this field.
 - **Note:** If you are not linking this to a project, then leave this field blank.
