

SALES CONNECT

DOWNLOAD AND LOGIN

[\[Watch the video\]](#)

DOWNLOAD APP FROM GOOGLE PLAYSTORE

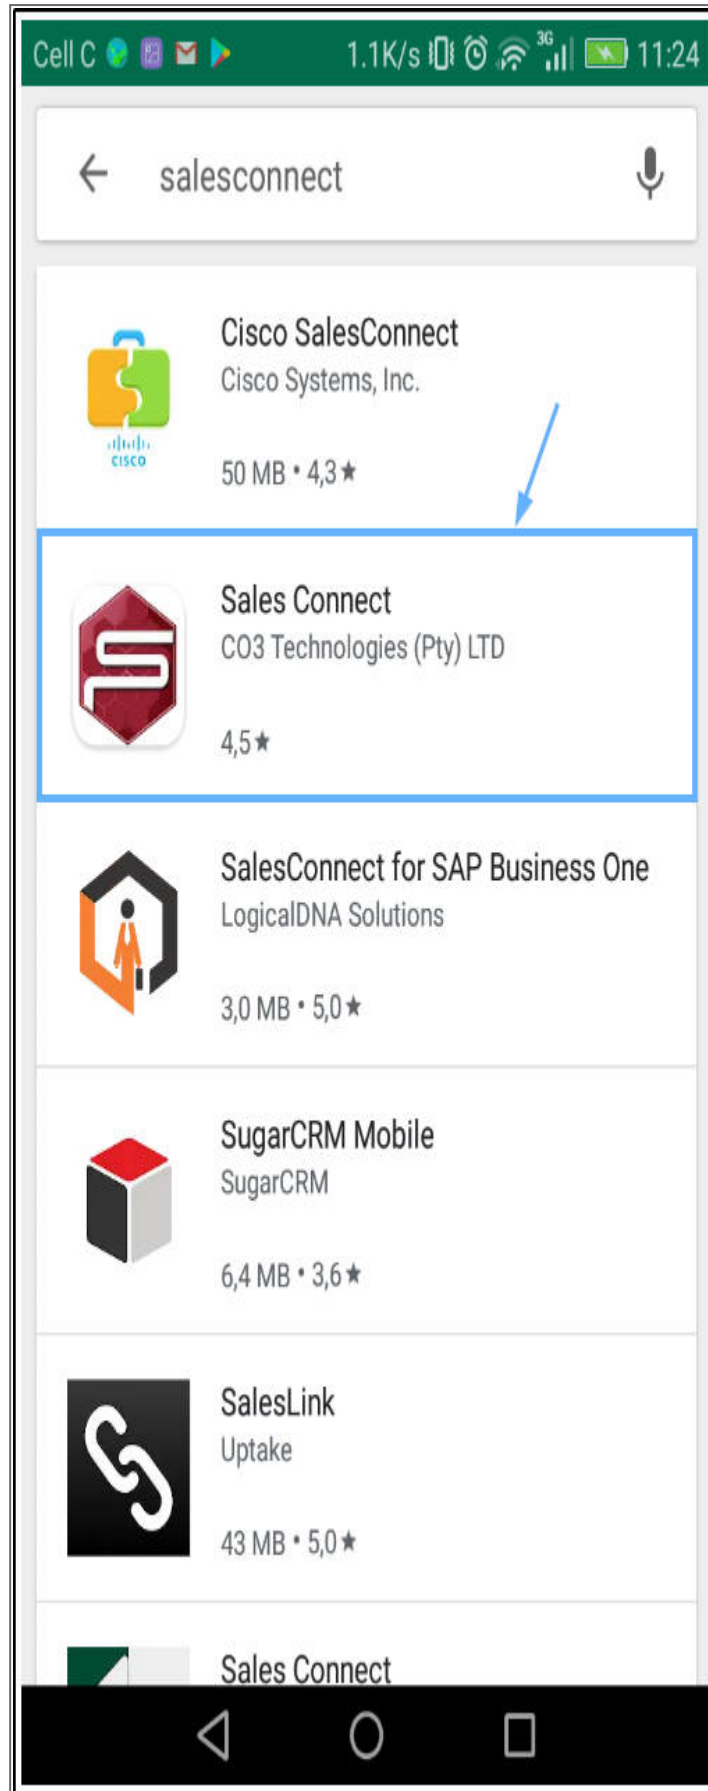

- If you do not have the app on your mobile device yet, open *Google Play Store*

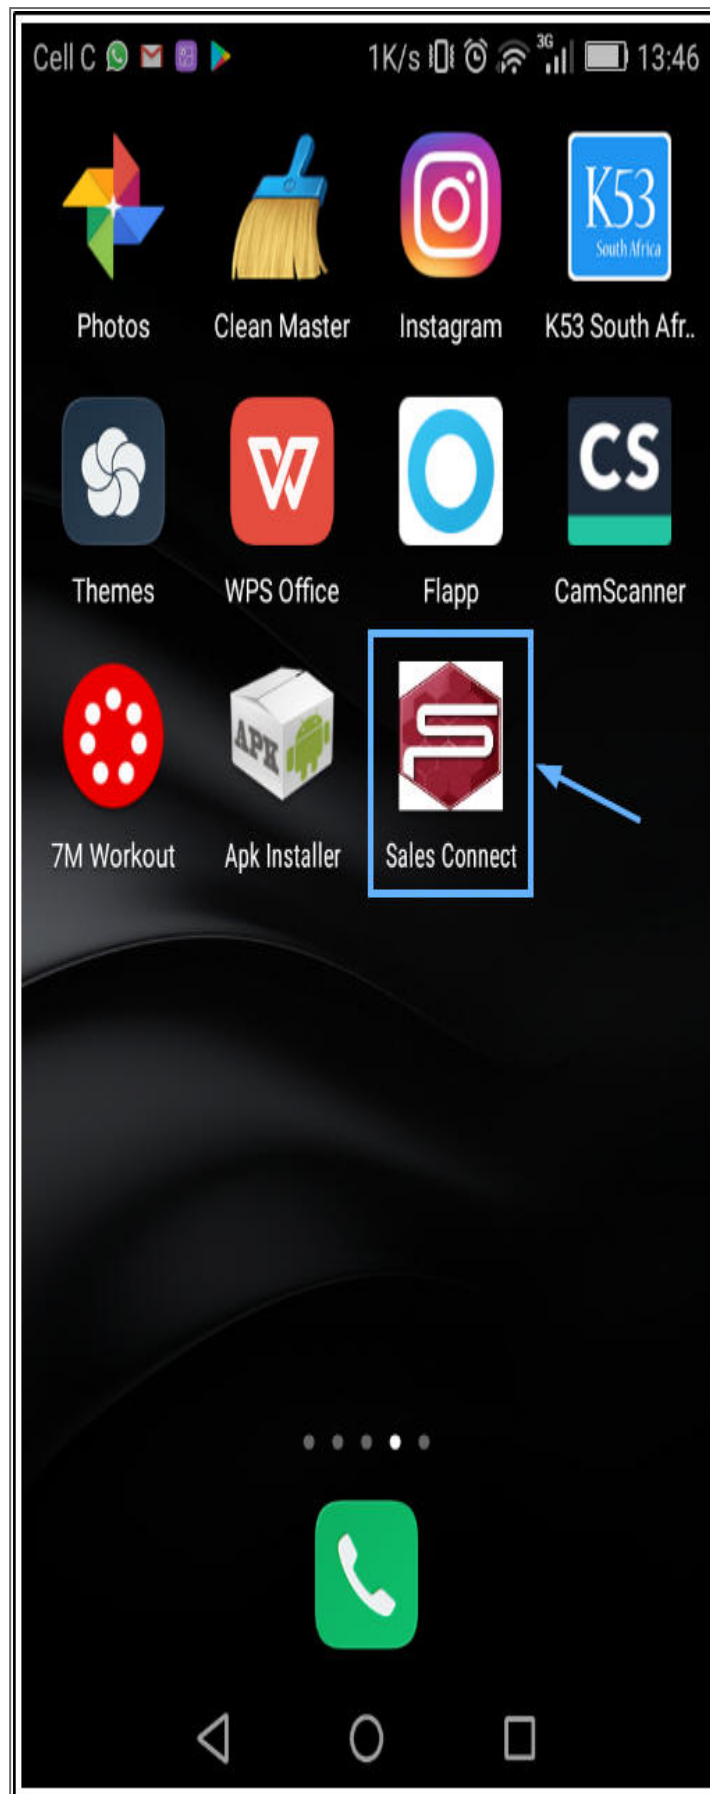

Download and Login

- Search for and install **Sales Connect** *CO3 Technologies (Pty) Ltd*

OPEN APP

- Once installed, select the ***Sales Connect*** icon on your device.

Download and Login

- The Sales Connect **start up** screen will be displayed.

INITIAL LOG IN

The initial log in screen will be displayed. You may need to speak to your system administrator with regards to initial Sales Connect set up.

Username:

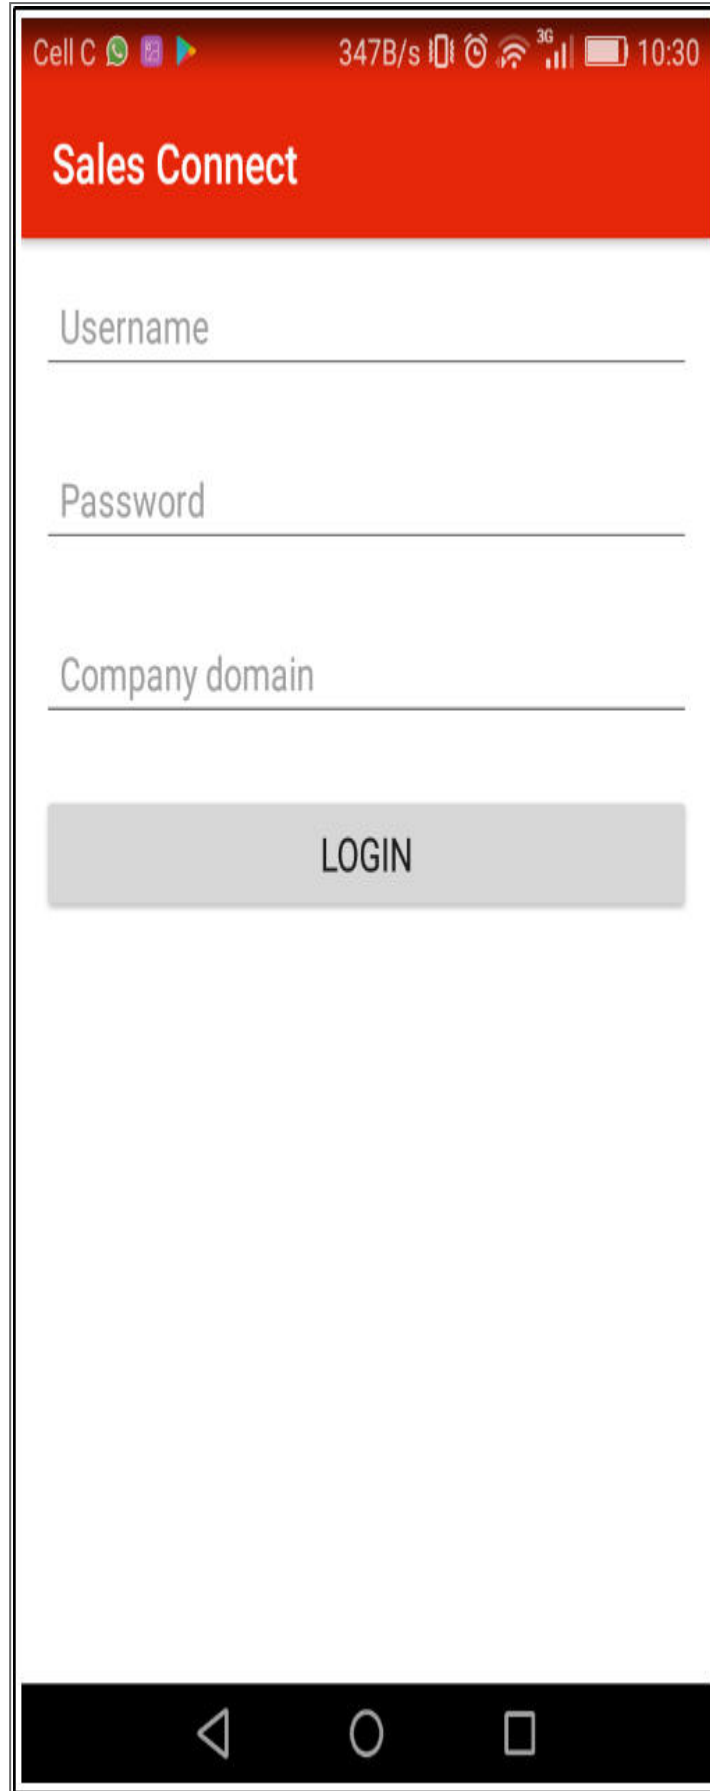

- Type in your ***user name*** as given to you by your system administrator.

Password:

- Type in your ***password*** as given to you by your system administrator.

Company domain:

- Type in the ***company domain*** as given to you by your system administrator.

The screenshot shows a mobile application interface for 'Sales Connect'. At the top, there is a red header with the text 'Sales Connect' in white. Below the header, there are three input fields: 'Username', 'Password', and 'Company domain', each with a horizontal line underneath. A grey button labeled 'LOGIN' is positioned below the input fields. The top status bar of the phone shows 'Cell C', signal strength, 3G, and the time '10:30'. At the bottom, there is a black navigation bar with three white icons: a triangle, a circle, and a square.

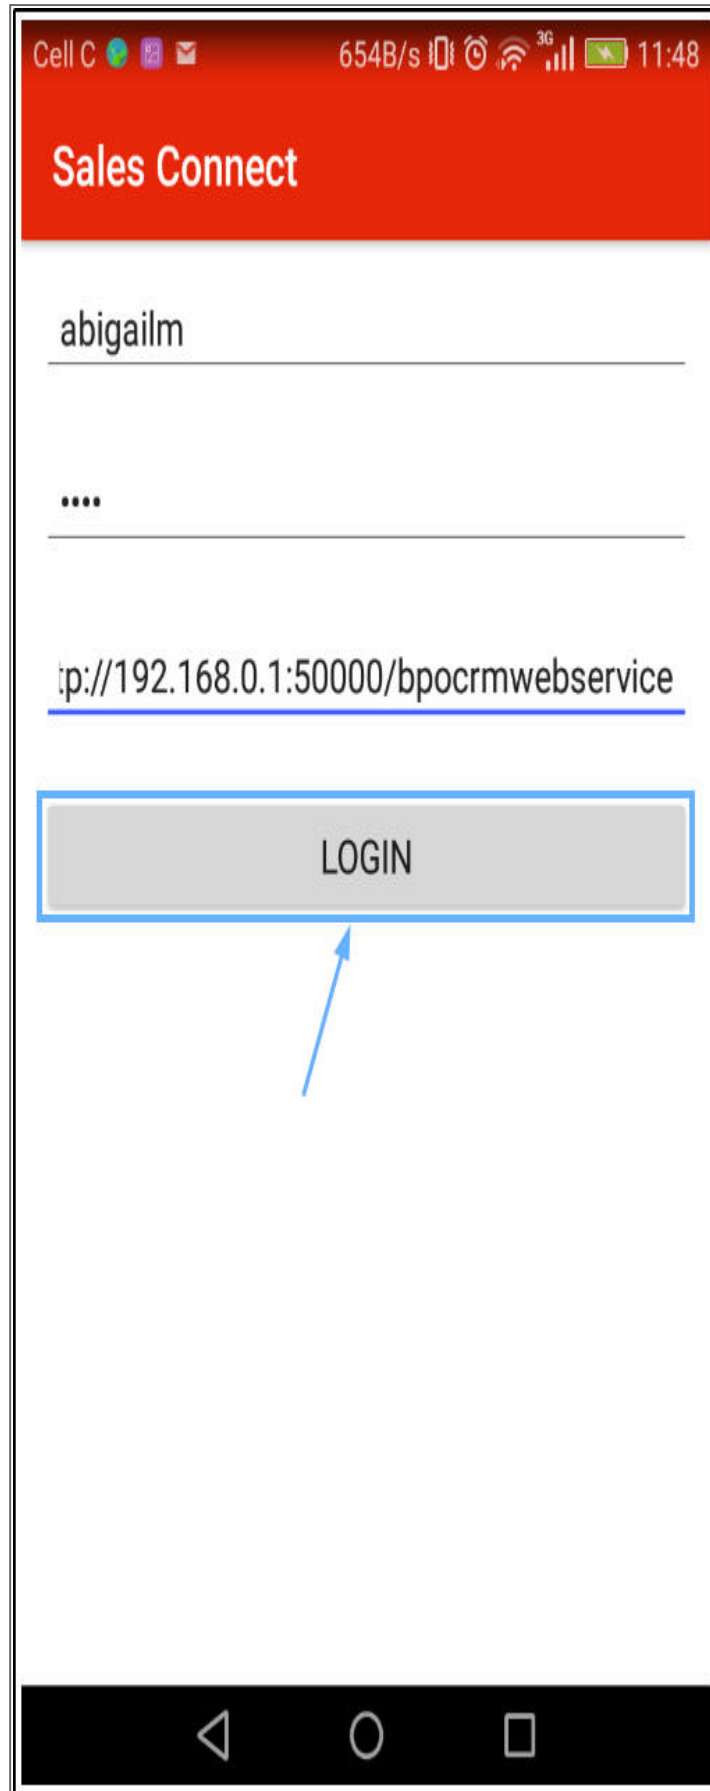

Download and Login

When you have typed in your:

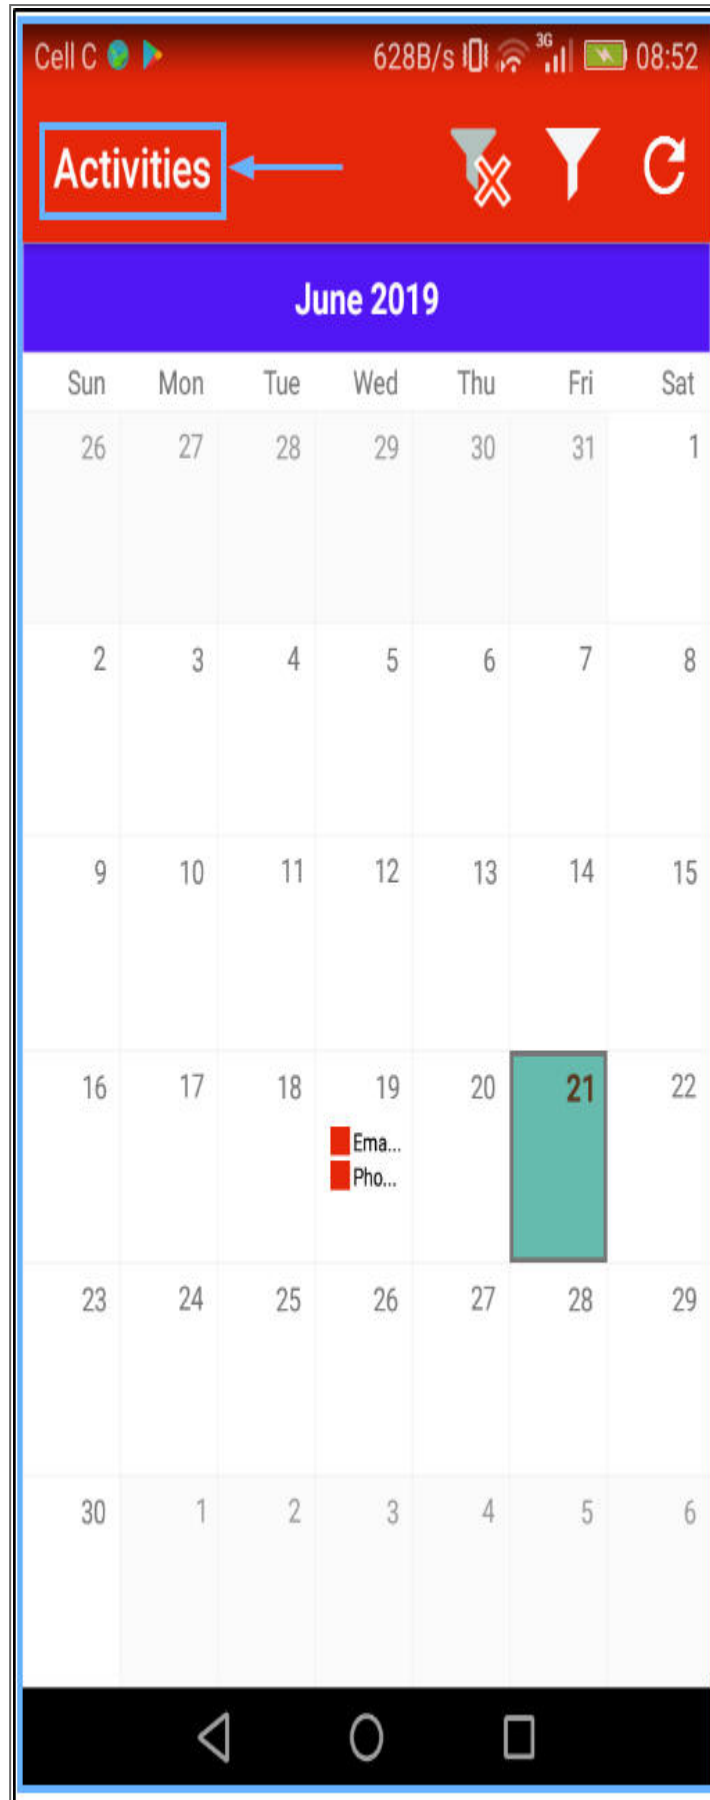

- **Username**
- **Password** and
- **Company Domain** details

select **LOGIN**.

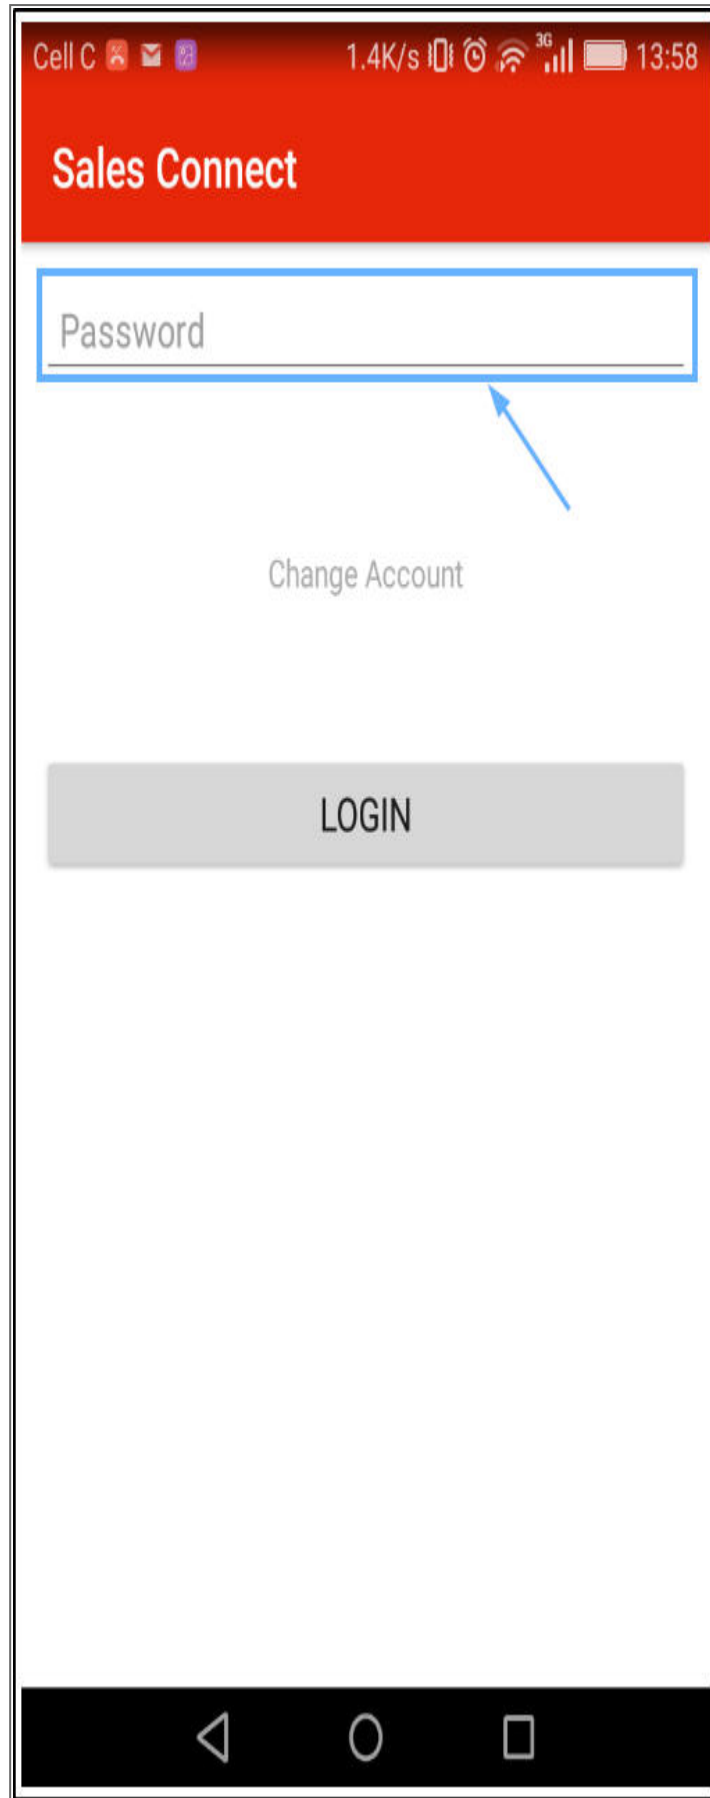

THE 'ACTIVITIES' SCREEN

- The Activities screen will be displayed. This screen will be covered in more detail in [Sales Connect: Environment](#).

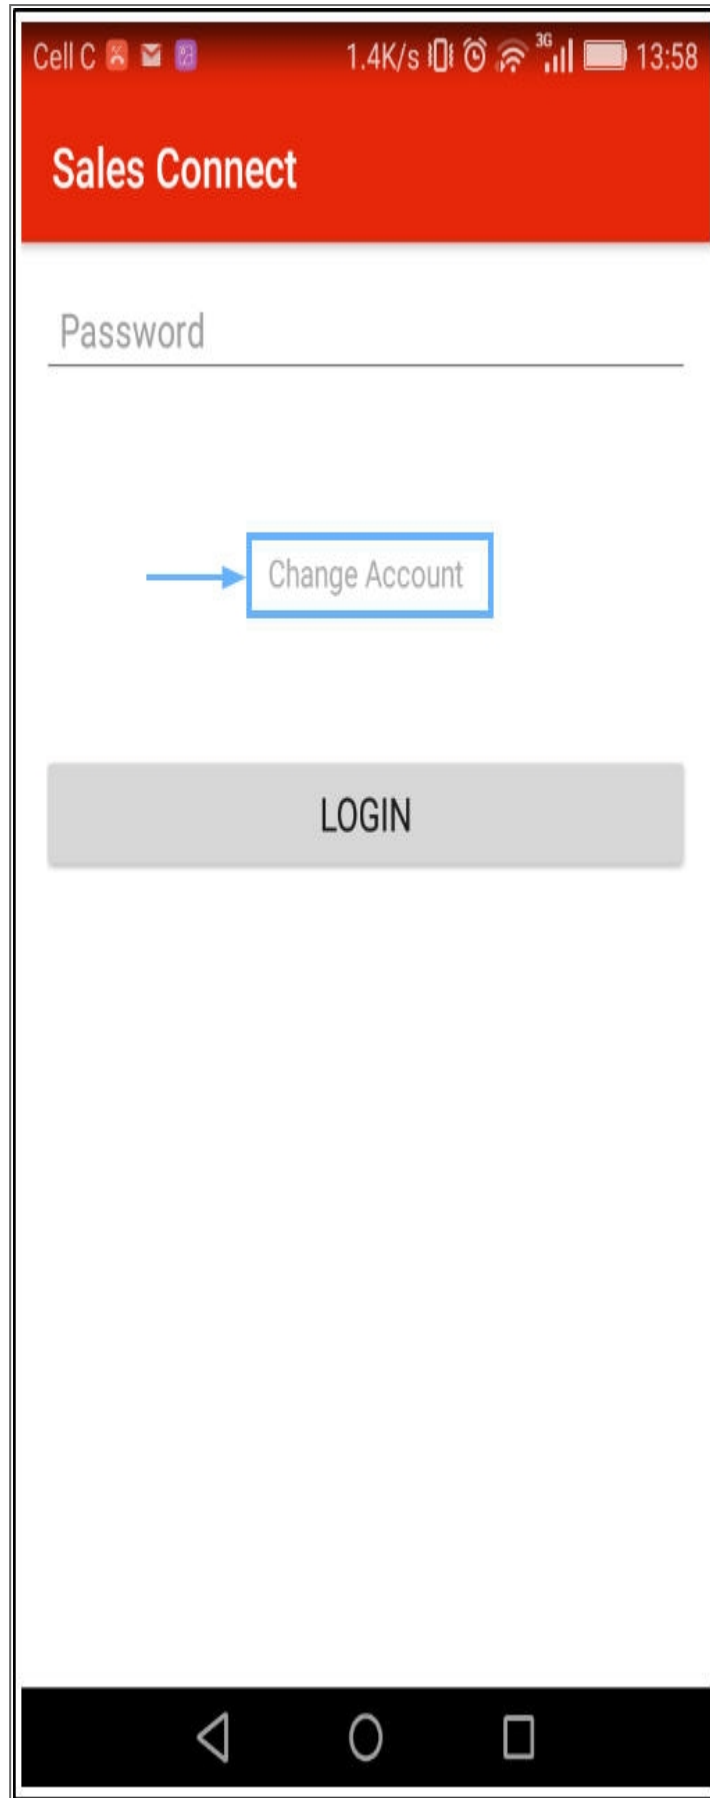

SUBSEQUENT LOG IN

- Sales Connect will keep your details. For subsequent logins you only need to type in your ***password***.

CHANGE LOG IN

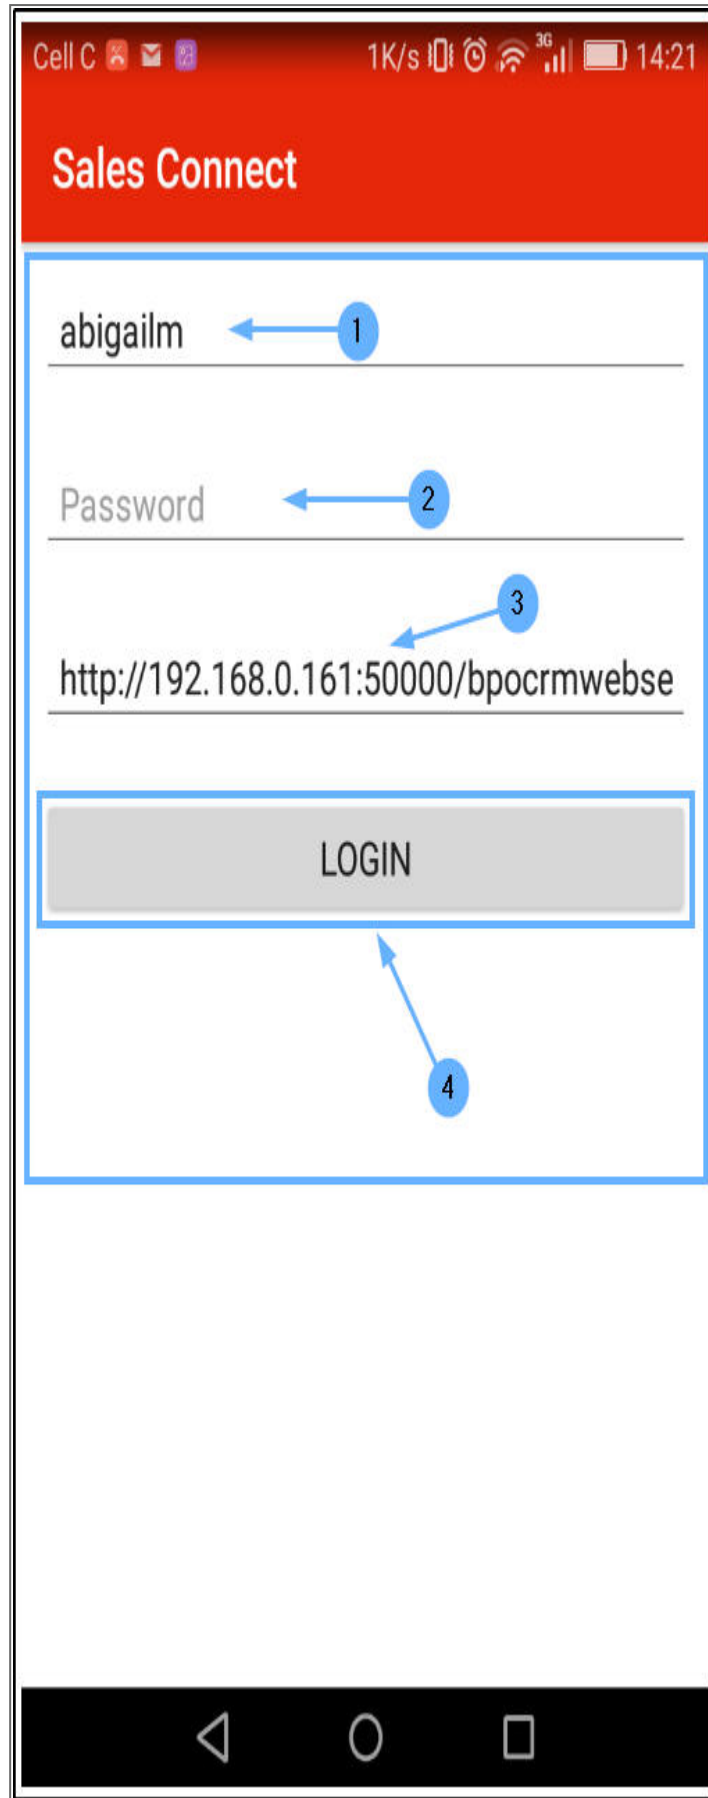

- If you do need to change the login details, click on ***Change Account***

- The initial log in screen will be displayed again.

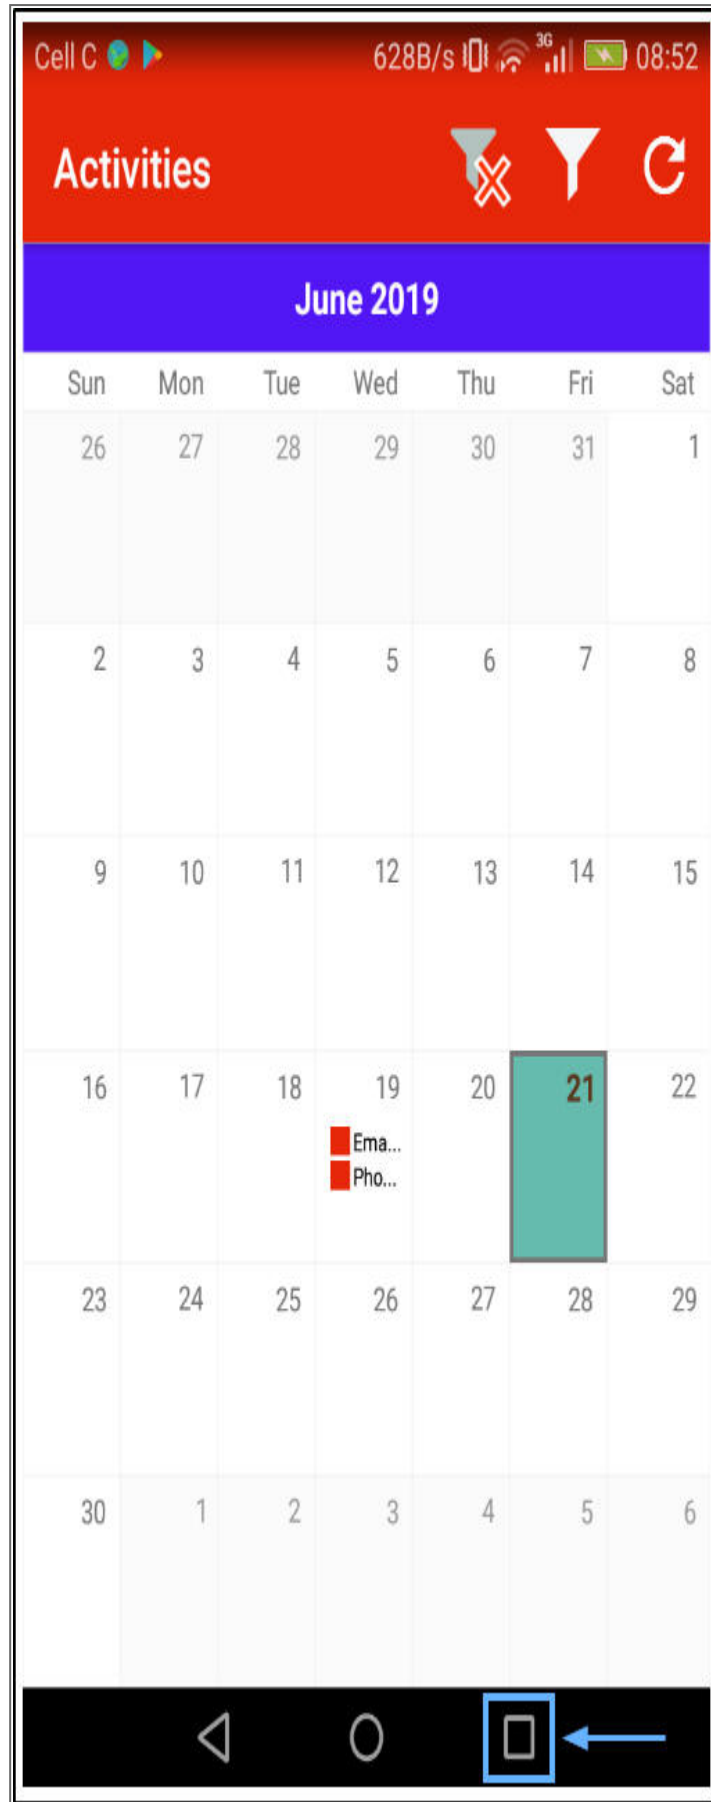

Change the:

1. **User name** or
2. **Password** or
3. **Company domain** details, as required, then click on
4. **LOGIN**

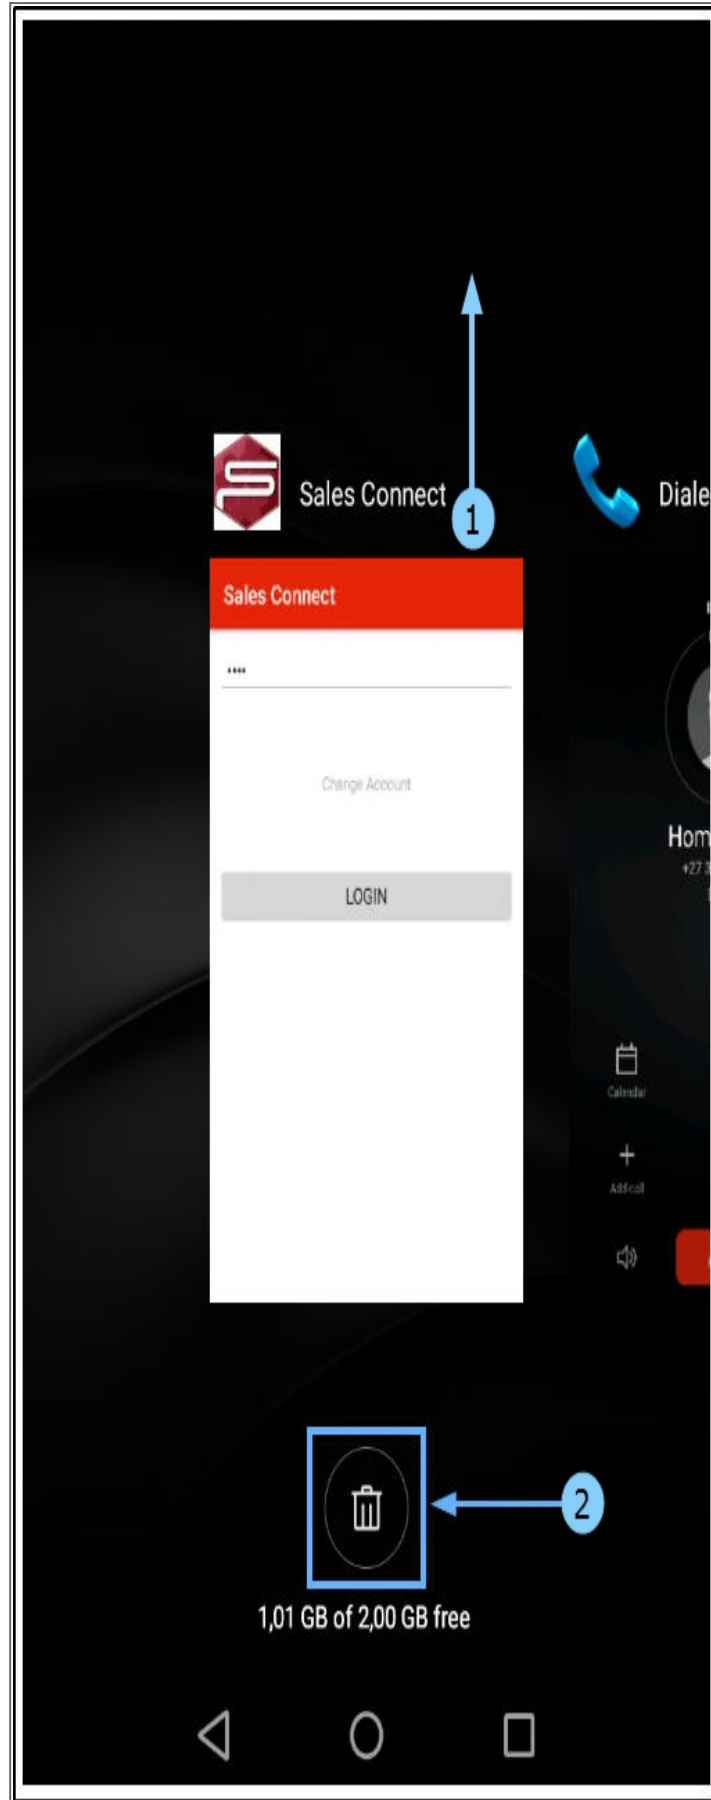

LOG OUT / EXIT APP

- At the end of your working day, you can exit the application by pressing the Application key [] on your device.

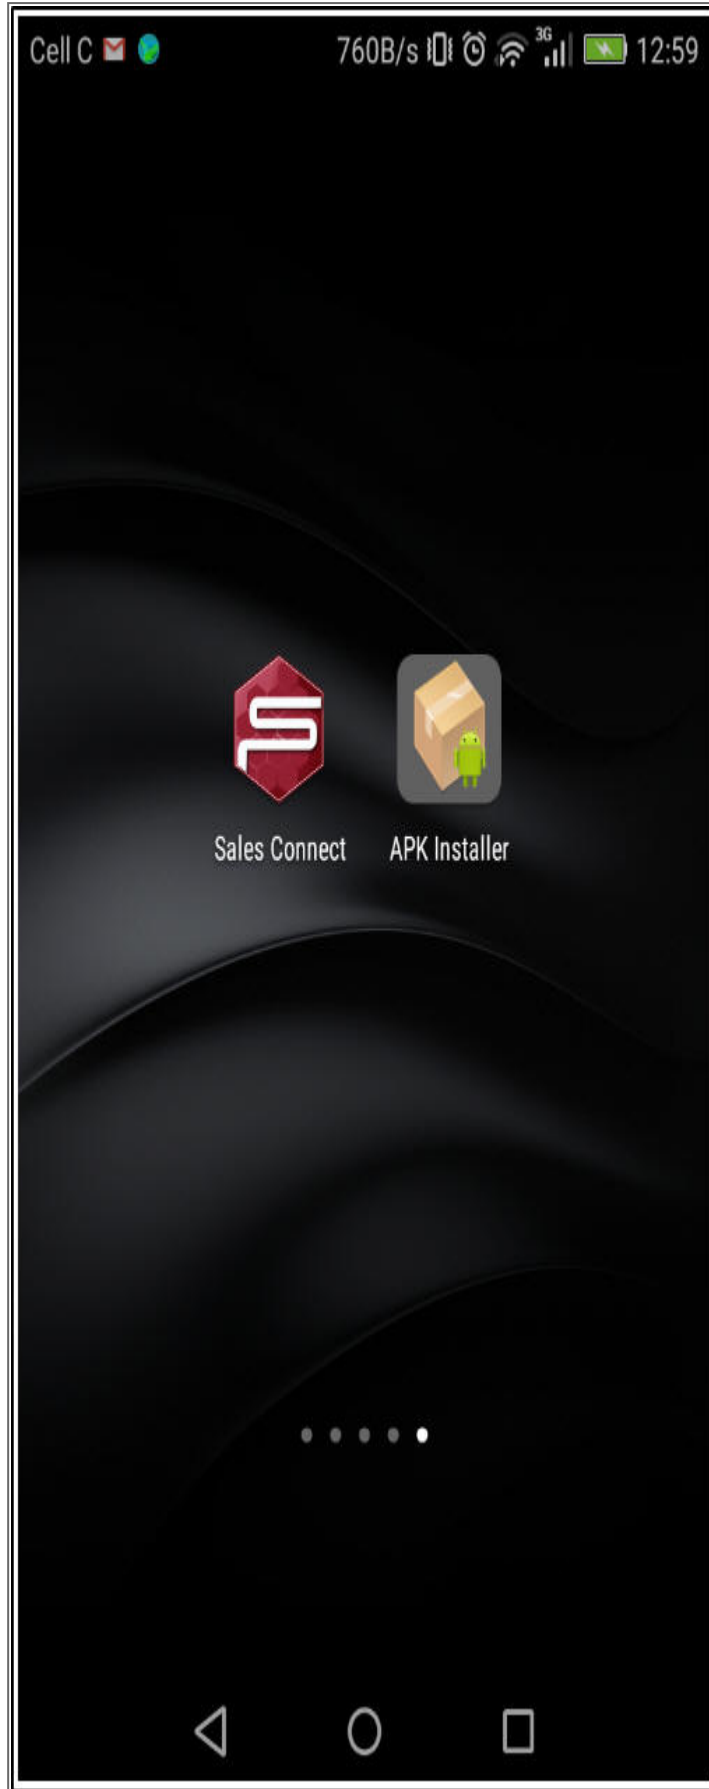

- A list of the most recently used applications will be displayed.
 1. Either swipe the Sales Connect app ***upwards*** on the mobile device - thereby closing it.
 2. Or tap the ***Close All*** icon on your particular device, to close the app. (This will close all other open apps.)

NOTE – APK INSTALLER

- You may need to place an ***APK installer app*** on your Android device before you can successfully install **Sales Connect**.
- If this is the case, select an APK from Google Play and download it according to the prompts given.
