Select the Site

Your employee user record should be linked to a default site. In this case, the site will auto populate with this default, otherwise the site must be manually selected.

Another site can be selected, if required, and if you have the security rights to access the site.

If **All Sites** displays here, then you do not have a default site configured on your user record, and need to select the required site.

Upon opening, this screen will default to the **New** status.

SUPPLIER INVOICE RIBBON ACTION BUTTONS

The ribbon **action** buttons will be available (bold) or unavailable (greyed out) depending on the status selection, and security right access level. The following functionality is available from this screen:
